Vol. 65, No. 49 — CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA — 10c — Thurs., Nov. 21, 1957

City Takes First Step For Retirement Plan

Although for more than four years, city funds have been earmarked for a retirement plan for city employees, the City Council took the first definite action in setting up such a program Monday night.

The Council on Monday authorized City Clerk Dorothy Trevethan to make the necessary applications to put the city employees under Social Security and, in addition, went on record favoring the adoption of a retirement plan as outlined by Councilman Myron Fairchild.

Under this program the City would make the entire contributions for retirement and match the employees' share in Social Security.

The program also includes a $10,000 life insurance policy for each employee.

All the city employees had signified their acceptance of the entire plan through a petition to the Council. Councilman Fairchild had previously explained to the employees. Fairchild heads the insurance committee of the Council.

For the past four years, a sum equal to 10 per cent of the salaries paid to the city employees has been set aside for some sort of a retirement program. The program outlined by Fairchild allows for a contribution of about 9.85 per cent from the City.

The plan would provide a retirement compensation of 73 per cent of the mean salary of the employee at age 65. To provide an inducement for employees to stay in city employ, the plan also would give the employee a bigger return from the fund vested in his name the longer he stays with the City.

The Council was in agreement for the most part over the plan as presented by Fairchild. but Councilman Richard Morton questioned the advisability of including life insurance in the program. He felt that, in a sense life insurance was "being shoved down their throats" whereas the program basically was a retirement plan.

He suggested that instead of paying for the $10,000 life insurance, the City could give each employee $70 and let him buy his own policy. It was estimated that 1.85 per cent of the total city contribution would go for the life insurance.

The Council decided to study further all the phases of the retirement and life insurance plan.

Students Stage Annual Turkey Trot on Monday

Campbell High students will stage their annual Turkey Trot on Monday afternoon. Live turkeys will be awarded to the winners of the various races that will be staged on the campus. The turkeys will be awarded by the Turkey Trot queen who will be named this Friday.

One of the features of the big day will be a faculty team that has challenged the best of the students. Bill Priddy, of the athletic department, is in charge of the event.

OUT ON TUESDAY

The Campbell Press will be delivered next Tuesday (November 26) and its sister publication The Merchandiser on Monday because of Thanksgiving falling on Thursday. For that reason deadlines have been shoved ahead two days. Following Thanksgiving the publications will revert to their normal day of publication.

ADMITS BURGLARY

A 17-year old Marine who was picked up this week by the sheriff's department for committing a hold-up on the La Rinconada golf links, has admitted to breaking into the Holmes Hobby Shop, 65 S. Winchester Road, last week and taking nine model aircraft motors, according to Campbell police officers.

For Last Time

Panel Picks 'Em

There will be a winner for sure this week.

Althought Mrs. Elaine Carey and Benny Lujan are tied for the season with 58 winners and 30 losers in the Campbell Press football panel, the tie will be broken this weekend, (Mrs. Carey had nine out of ten winners last week).

The two peerless pigskin pickers don't see eye-to-eye on three games . . . Oregon vs. Oregon State; Notre Dame-Iowa and Rice-Texas Christian.

This is the last week the panel members will strut their stuff, for the 1957 football season is drawing to a close.

It's been fun watching the panel work each week and we may bring 'em back for the bowl contests just to keep them in trim. Although the two leaders appear a cinch to finish one-two, our own Marvin Moore, now in third place, is still hoping for an upset. But he's four games behind. Still in there pitching and picking are Pete Lico, Sam Reed, and Bill Means.

Wild Chase Ends When Cops Fire

An 18-year old San Jose youth who along with his 17-yead old companion gave Campbell police a wild chase through the streets of the town Friday night got off this week with a suspended sentence for the traffic violations made during the chase which came to an end when the officers fired shots into the air.

But the youth is being held by the San Jose police on a burglary charge committed prior to his careening through the local streets.

His younger companion, however, was still at large this week having made his getaway from the local police.

The chase began at Winchester Road and Hamilton about 9:30 p.m. Friday when the youth, Anthony Paul Licata of San Jose, failed to yield the right-of-way. It extended over Winchester Road, Latimer Ave. and ended on Hardy when both local police cars blocked any further movements.

Both occupants started to flee but when Auxiliary Officer Donald Locke fired two shots in the air the older one stopped. Tre younger one kept going.

In addition to failure to yield the right of way, Licata was charged by local officers with resisting arrest, failure to heed a siren. He pleaded guilty to the charges on Monday and was given a 90-day suspended sentence and put on 90 days probation.

Planners Okay Zone Change on SJ-LG Road

In sharp contrast to many previous requests for zone changes, the Planning Commission on Tuesday approved changing the zone of approximately 40 acres on the west side of the San Jose-Los Gatos Road.

The area, extending from Campbell Ave. north toward Hamilton Ave., including the Brynteson Ranch at the intersection of Campbell Ave., and San Jose-Los Gatos Road, will become heavy commercial (C-2-S) instead of industrial (M-1-S) as it now is zoned.

At Public Hearing

The Planners took the action at the public hearing on the zone change held Tuesday and it was the result of a report by a committee headed by Commissioner Kenneth Priestley. There were no objections voiced to the change at the meeting.

Present at the meeting was James A. Miller, of the San Jose law firm of Miller, Morton and Wright, representing the Brynteson interests. He told the Commission his clients had no objections to the change.

Also heard was W. W. Johnson, 1047 E. Ridgley Ave., directly across from the area). Johnson asked for a clarification of what types of business could be allowed in a C-2-S zone. Johnson, with a number of other residents, had advocated such a zone change last year.

Commissioner Homer Hyde, in an aside to Johnson, recalled that previous zone change when only part of the area was made commercial and admitted they should have followed Johnson's advice then.

In Commissioner Priestley's report, it was emphasized that the area in question (cut by the Route 5 freeway) would be better suited to a regional shopping center than any industrial development. The report indicated that increasing land values was also a factor in the recommendation for the change.

In other actions, the Commission:

1. Approved a variance for an advertising sign for Stone & Schulte at Central and Hamilton avenues.

2. Approved a zone change from single family residential to multiple dwelling for property located at 41 N. Second St. The application was made by D. P. Sevrens.

3. Deferred action on the "S" zone approval for a 5-unit apartment in Sunberry Gardens submitted by Philip Sondeno and set December 3 as the date for a hearing for a zone change for the same location.

4. Discussed changes in the overall zoning ordinance of the City based on a report by a committee headed by Commissioner Ted Solari and Planning Consultant Nestor Barrett.

5. Adjourned the meeting until Wednesday, November 27, in order to hear a report by Barrett on possible Federal aid for city planning.

Firm Asks City For Stop Signs

Acting on the request of Western Gravel that stop signs be installed on the west side of each of the railroad crossings at Kennedy St., Sunnyside and Central avenues, the City Council on Monday referred the request to Councilman Richard Morton in his capacity as traffic engineer for the city.

In the letter to the Council signed by Lynn Beatty, vice-president and general manager of the company, it was noted that there have been several collisions at the crossings.

In other actions, the Council:

1. Deferred action on calling for bids of the storm sewer extension from Sunberry Drive to Winchester Road.

2. Noted the receipt of $14,608.39 in gas tax quarterly payments and $1,767.74 in fines for October.

3. Granted the request of J. M. Dahl, for extension of time for completion of Sunnybrook Gardens unit 2 (off Budd Ave.). Dahl was acting as agent for the owners of the property formerly owned by Kenneth Strong.

Dick Mayne Heads Advisory Board

Richard (Dick) Mayne, Deputy Coroner, and former Campbell police officer was elected chairman of Campbell's National Guard Advisory Board last week at Chamber of Commerce offices. Sam P. Cava, Chamber of Commerce secretary-manager, was elected secretary.

The Board, appointed by Mayor John M. Chargin to represent the City Council and the citizens of Campbell and to serve as liaison between the community and the National Guard, will work with the Commission in civil defense and other projects.

Other Board members present were George Miskulin, athletic director of the Campbell High School District; Dr. Robert Wade, physician; and Michael Brusin, accountant.

QUITE A STACK TO GO THROUGH . . . In one of the first projects of its kind, University of Santa Clara law students have undertaken the task of codifying the City of Campbell's ordinances. The law students will assist City Attorney Joseph Bonacina in the task, which is scheduled to be completed by next June. The students are pictured getting into the swing of things. Left to right seated, Richard Sanguinitti, Ed Nino and Terrence Ford, Standing, left to right, Mayor John M. Chargin, Grant Wither (student); City Attorney Bonacina; Dean Warren McKenney of the University of Santa Clara Law School and Councilman Richard Morton.

On December 2

'CM' Goes to Bat

For the second time the City Council on Monday set a public hearing date for the controversial "Controlled Manufacturing" zoning ordinance. The hearing will take place on Monday, December 2, at the City Hall. The Council meets at 8 p.m.

The revised "CM" ordinance has been forwarded to the Council by the Planning Commission. The Planners after many futile attempts to reconcile the objections of the landowners opposing "CM", have recommended the adoption of the revised "CM" ordinance.

The City Council several months ago returned the ordinance to the Planners for suggested changes. The ordinance at that time had reached the final stage (second reading.

Indirectly tied in with the hearing will be the report of City Attorney Joseph Bonacina on the request of Dell Ave. potential industrialists who have requested to have their names removed from the petition asking for an assessment improvement district in the area.

Dog Poisoner Hits Residential Section

Aroused residents in the vicinity of Union and Apricot avenues in Campbell this week were keeping a close watch on their pets, as an aftermath to a series of poisoning and shooting acts with dogs and cats as victims that has swept the neighborhood.

So far, two dogs and one cat have been treated for strychnine poisoning and the irate residents claim that someone is deliberately setting out poisoned food. The poisoned dogs recovered after being treated by a veterinarian.

Another dog in the same vicinity, however, was shot in the mouth and died the next day.

The area is outside the city limits in county territory, and the sheriff's department has been notified of the acts. Deputies have been patrolling the territory in an attempt to apprehend the person in the act of putting out poison, the only way, law enforcement officers point out, that the charges can be brought.

No pets were affected this week, The Press learned. The dog owned by Mr. and Mrs. Vernie Marcyes, 132 S. Union Ave. was the last victim. It was poisoned last Thursday.

Mrs. James B. Kershaw, 547 Apricot, reported her dog, a Welsh terrier, was also poisoned while it was reported that both a dog and cat owned by the Ward Edsingers, 522 Apricot, were also victims of a poisoner.

Examinations of the stricken dogs revealed that the poison had been administered in the same way in all cases, through chopped meat saturated with strychnine.

Residents point out that a small child could also pick up the poisoned meat and they are concerned that such an event may occur, if the poisoner is not curbed. They also are worried as to where the person will strike next in his sadistic actions.

The Lloyd Smiths, 534 Apricot, report that their dog was shot during the same time that other animals were poisoned, which leads the residents to believe that perhaps the same person was responsible.

Variety Show to Benefit Hornets

An imposing list of performers are lending their talents to an all-star variety show to be staged in Campbell High School Auditorium Saturday, November 30, at 8 p.m.

The show is a benefit production to aid the Billy Wilson Hornets, Northern California champions of the Pop Warner Football Conference. Proceeds from the show will be used for team expenses, according to Mrs. Ebb Bohn who is lining up the entertainers.

At Legion Hall

C. of C. Sponsors Gala Affair

One of the first social functions in recent years to be sponsored by the Campbell Chamber of Commerce will take place this Saturday night, November 23, at the new West Valley American Legion Hall on E. Parr Ave. at the southern city limits. The event gets underway at 8:30 p.m.

Norman Corvello is chairman of the committee for this pre-Thanksgiving affair which will include dancing, entertainment and refreshments. Ebb Bohn, who may not be present because of illness, has lined up a number of entertainment features while Douglas Beatty, C. of C. president is in charge of the refreshments.

Joe Russo, one of the newer directors of the Chamber, assisted by his wife, Connie, will dispense free coffee and doughnuts at the affair, while Rex Jeffers, treasurer of the C. of C., promises a "surprise feature" not disclosed at press time.

The Chamber of Commerce is charging only one dollar per person in the form of a donation and will offer other prizes to those attending.

On The Line in Campbell

Alfred S. Braun, director of the Effective Speech class at the Campbell Adult Center, is organizing a winter quarter Effective Speech group and would like to meet with persons interested in working with this group during the period from January through March. A meeting for this purpose has been called for next Tuesday, November 26. Reservations can be made by calling FR 8-2582.

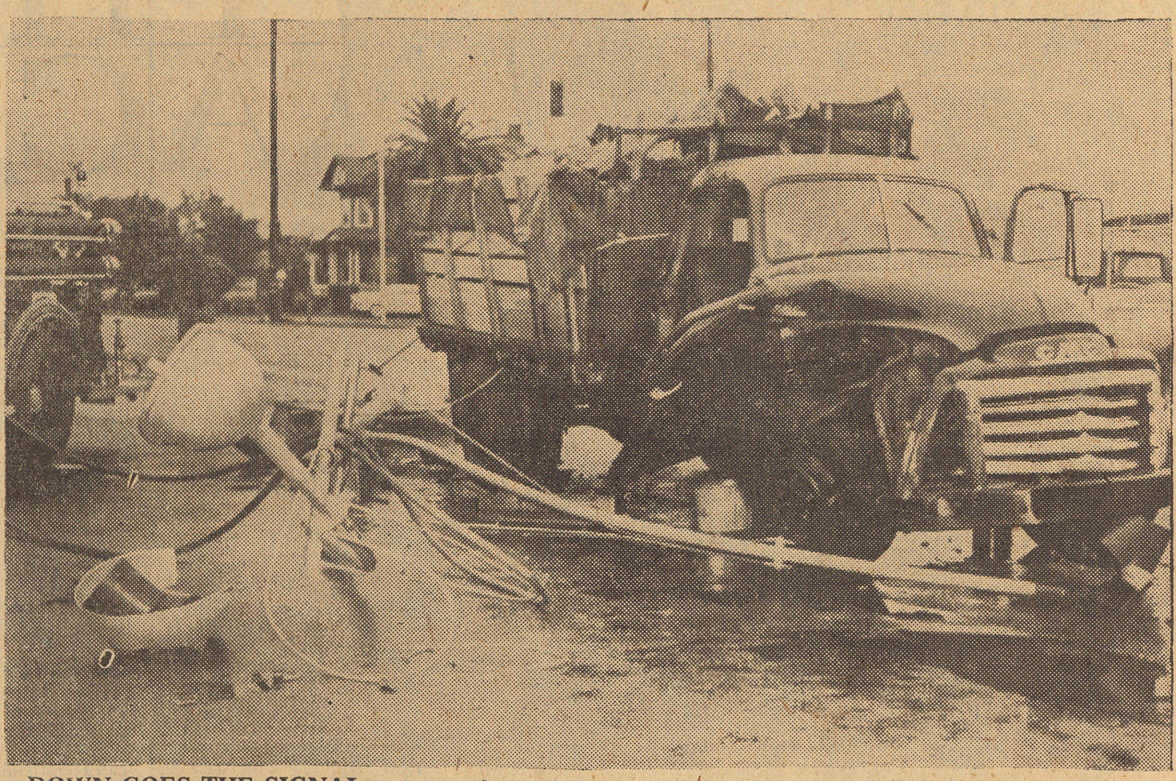
Anthony Anastasia, San Jose attorney, will serve as chairman of the 1958 March of Dimes in Santa Clara County, Joseph Chargin, chairman of National polio foundation has announced.



DOWN GOES THE SIGNAL . . . A truck and pickup came together at the intersection of Campbell Ave. and San Jose-Los Gatos Road Monday morning and one of the major casualties of the unscheduled get-together was the stop-and-go signal which was knocked down (above). The truck, driven by Harvey Marion Wade, Jr., of San Jose, an employee of the Santa Clara County school department, was proceeding north on S.J.-L.G. Road. Sidney A. Smith of Campbell, employed by Prettyman Electric of Campbell, was the driver of the pickup. He was making a left-turn from Campbell Ave. onto the S.J.-L.G. Road. Campbell Press photo.

Representatives Meet Monday

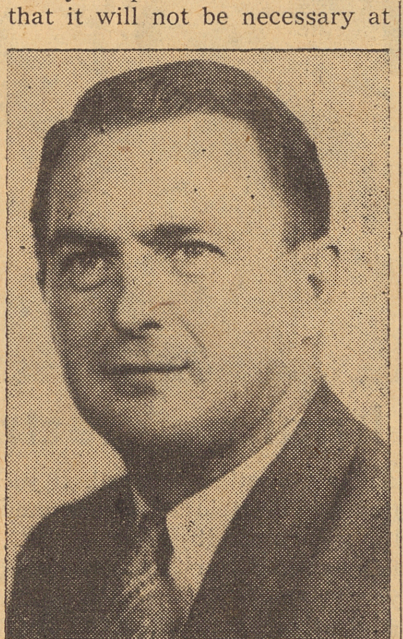
Local Coordinating Council Gets Boost

Representatives from 38 different community organizations have been invited to attend a meeting next Monday (Novembe 25) at 7:30 p.m. at the Campbell Grammar School to discuss the possibility of forming a coordinating council of all active groups in this area. The meeting, will take place in the school's multi-purpose room on N. 3rd St.

The movement to form the coordinating council has been instigated by Neal Royer, assistant superintendent of schools and president of the Campbell Rotary Club. Invitations to attend the meeting went out over his signature.

"If we could in some way pool our assets and efforts toward an improvement of our recereational facilities, health standards, community appearance and civic pride, this area could be put on the map in a much more favorable light in the near future," the invitation reads in part, echoing the sentiment of many individuals and organizations of the community.

Royer specified in the letter that it will not be necessary at the meeting for the representatives of the various organizations to make any commitment regarding their organizations. He suggests that the representatives take back the information garnered at the confab for future consideration of the members and officers.



NEAL ROYER
. . . Calls Meeting

Royer cites the fact that each of the 38 organizations contacted has an average membership in excess of 30 which would give a combined total of more than 7000 people who could work to give the community a better place in which to live and make a home.

Royer also emphasized that in no way would the combined efforts of the coordinating council jeopardize the projects planned or being undertaken by individual groups.

He also explained that the Rotary Club directors had approved the formation of a coordinating council and that the club desired to join other groups in all out effort to improve the area.

'58 Auto Show At Valley Fair

One of the several members of Santa Clara Valley Horseless Carriage Club exhibiting vintage vehicles at the auto show being held at Valley Fair Shopping Center this week is William H. Baker of 14715 Branham Lane, Campbell.

On display are more than 90 brand-new 1958 cars and panel trucks, representing all popular American makes and models and many foreign manufacturers.

The show continues through Saturday and will be open tonight and Friday until 9:30 p.m. Admission is free.

Free tests of various driving skills and safety education materials are being offered at the auto show by Santa Clara County Safety Council, National Automobile Club and California Highway Patrol.

NEW FIRM TO EMPLOY 100 IN SANTA CLARA

Holbrook Merrill Company recently broke ground for a new $250,000 plant on Kifer Road near the Lawrence Station Road. The plant is to have 40,000 square feet of floor space with an additional 3000 square feet for offices. Charles Merrill, president says the firm will employ 100 in the manufacture of sheet metal parts and housings for use by electronics industries.

MINISTER FOUND INNOCENT OF CAR FATALITY HERE

A superior court jury at San Jose has determined that an Episcopalian minister at Gonzales innocent of any responsibility for the death January 11, 1956, of Joseph LaMorte, 65, a Winchester Road rancher in an automobile and bicycle collision on Hamilton Avenue in Campbell.

Defendant was the Rev. John M. Galagan and the plaintiff in the action was Vincent LaMorte

Crocker-Anglo to Have New Bank at Winchester Corners

Work has begun on a new building for Crocker-Anglo National Bank in the Winchester Shopping Center, northwest corner Winchester Road and Stevens Creek Road, it was announced today by Paul E. Hoover, president.

Crocker-Anglo's office in the area known as "Winchester Corners" will be completed early in 1958 and is scheduled to open for business in the Spring. Occupying approximately 5,800 square feet of floor space, including a partial mezzanine, the banking office will feature drive-in teller service at a window opening on Santa Clara-Los Gatos Road, a night and holiday depository adjacent to the front entrance, safe deposit facilities and twelve commercial and savings windows in the main banking area. Parking for customers will be available adjacent to the office in the shopping center.

The Stevens Creek-Winchester office will be Crocker-Anglo's ninth unit in Santa Clara County. Currently the bank operates three offices in Palo Alto, two in San Jose, one in Mountain View and one in Sunnyvale. A second unit, the Sunnyvale Plaza, will be opened in the latter city this month.

Campbell Trio Pass Recruit Training

Bernard I. Bricmont, son of Mr. and Mrs. Clem V. Bricmont of 754 Shady dale;

Wilbert D. Schrader, son of Mr. and Mrs. Wilbert H. Schrader of 570 Emory ave., and

DeWitt C. Tranberg, son of Mr. and Mrs. DeWitt Tranberg of 100 S. Milton ave., all of Campbell, completed recruit training November 7 at the Marine Corps Recruit Depot in San Diego. They are now to be assigned to a unit for further infantry training, or to one of the many Marine Corps schools.

HOME TELEMOVIE PLANT IN SAN JOSE

John Brunette, manager of Studio Theatre in San Jose said today that he is setting up Electronic Home Telemovie Co. to sell TV cables direct from the studio to the home for closed viewing of various shows.

Steindorf Pack Initiates Weblos

Cub Pack 41 of Steindorf School initiated its first Weblos last Friday evening at the regular monthly meeting. The leader is Tino Gonzalez.

Following the father and son theme for the month, fathers and sons showed and demonstrated projects they had worked on together. Included in the exhibition were crystal radio sets, model cars and gieger counters.

Den 1 and 5 put on short skits and Den 2 held a diaper-pinning contest.

Lion badges were presented to John Poynter, Chris Canine, Bob Gonzalez, and Bob Nansen.

Gold arrows were awarded to Bob Gonzalez and Chris Canine; silver arrows to Michael Ilse, Chris Canine, Bob Nansen, Craig Fusaro, and Richard Shutte.

Those receiving service pins were Bud Foster, 3 years; David Carney, John Winterhalder, Pat Vierra and Elaine Dossetti, 1 year.

Randy Vierra is a new denner and Allen Kinsman an assistant.

Moreland PTA Slates Benefit Card Party

Moreland PTA will hold a card party in the school cafetorium Friday, November 29 at 8 p.m. The public is invited to attend. Tickets can be purchased at the door.

Prizes will be awarded and refreshments served during the evening.

All proceeds from the event will be used for school projects.

Donald V. Smith, seaman apprentice, USN, son of Mr. and Mrs. H. V. Smith, 719 Erin Way, is serving at the Whidbey Island Naval Air Station, Oak Harbor, Washington.

Sam O'Brien Taiks on 'CM'

Guest speaker at Monday's meeting of the Rotary Club was Sam O'Brien, chairman of the City of Campbell Planning Commission.

O'Brien outlined "CM" zoning proposed for the city's industrial section and explained its primary purpose is to protect residential property owners.

In answer to questions, O'Brien said the Commission is encouraging clean industries and discouraging those which would create undue noise, smoke or odors.

"I always thought this room would leave us cold...

and then I got an electric heater!"

Why put up with ice-box rooms another day—when a modern, automatic electric heater can chase the chill away for good! You're the boss with electric heating: you select the *exact* warmth you want, never waste heat. It's clean, quick, draft-free, too —easy and comparatively inexpensive to install. If *you* have rooms that leave you cold (or even close to freezing!), make the most of P. G. and E.'s low rates. Ask any experienced, qualified electrical contractor to survey your home. Without obligation, he'll tell you the moderate cost of installing a well-engineered electric heating plan.

Electricity is cheap in California!

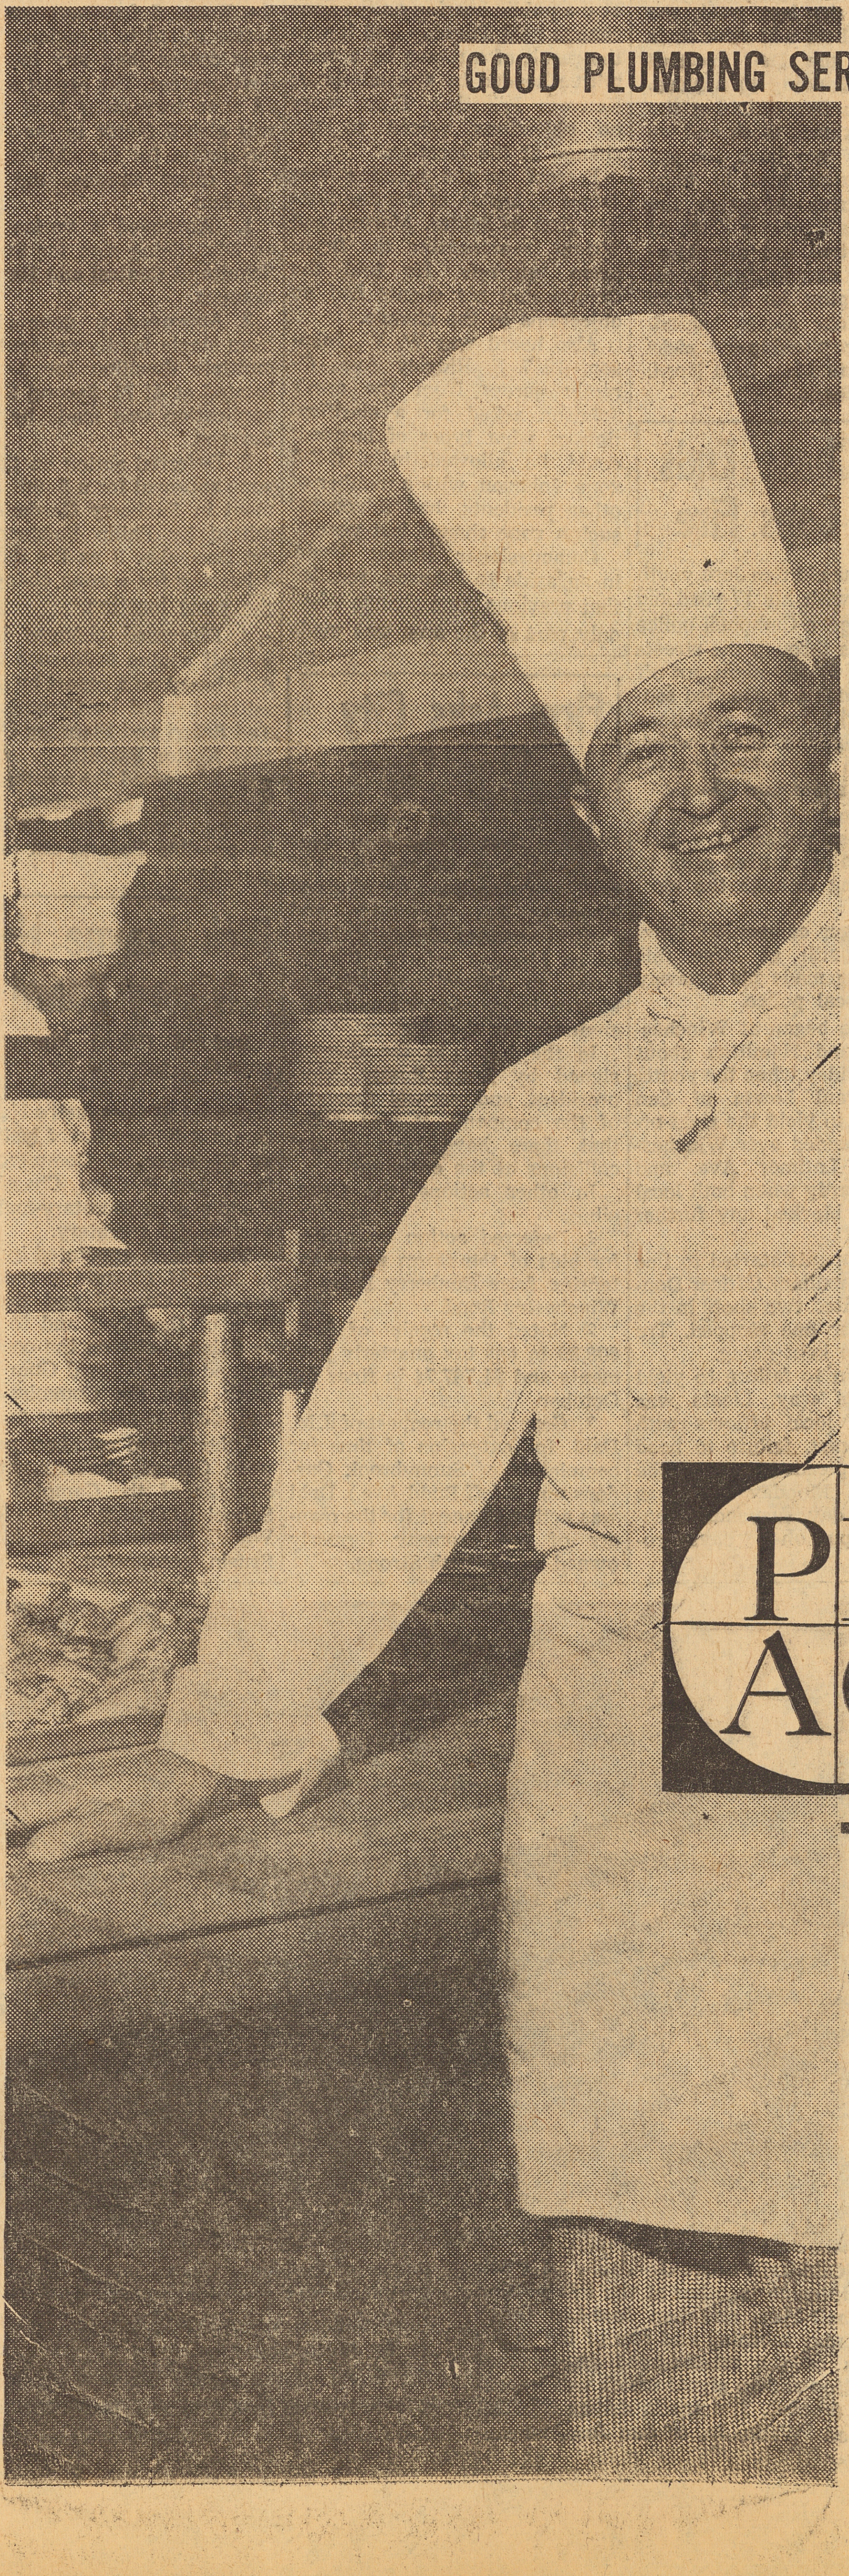
Pacific Gas and Electric Company



GOOD PLUMBING SERVICE COSTS LESS THAN YOU THINK!

There are

Dishes

....and Dishes!

The first are the kind that make your mouth water when prepared under the direction of Supervising Chef Fred Aeberhard in the dining rooms of the famous Rickey's Studio Inn in Palo Alto.

The other kind of dishes are the plates that have to be washed in the kitchen at Rickey's, even though the customers may "lick them clean". They run into thousands in a very short time. As a matter of fact only recently Chef Aeberhard, in consultation with a plumbing contractor, installed larger fully automatic dishwashers and disposal units to increase the efficiency of his kitchen.

Whether you're a chef in a leading restaurant or just chief cook and bottle washer at home, you'll find your licensed plumbing contractor can keep your kitchen a pleasant place to work.

Good plumbing service costs less than you think. Whenever you buy, repair, install or remodel, call a licensed plumbing contractor.

Ridiculous to sublime, thick to thin, laughter to tears, black to white; Call it what you will but those terms about describe this week's column. First I'll present some information about a very serious national issue and then wind up with a couple of ridiculous stories that are frequently heard in the Cloak Room of the House of Representatives. First, let's be serious.

One of the perennial issues which is always before Congress is that of Public vs. Private Power. Californians have quite a stake at issue and have paid considerable attention to three power generating dams currently under construction on the Snake River in Idaho. The Public power people favored one large dam under government ownership; private power advocates leaned toward construction of three smaller dams by the Idaho Power and Light Company. Though on many occasions I voted for public construction of hydroelectric project, in this case I favored the private development. These are my reasons.

The private project in Idaho would produce 5½ million killowatts (slightly more than the Federal dam. Its dependable capacity would be 767,000 killowatts as compared to 785,000 for the publicly owned structure. It would provide one million acre feet of flood control storage—**without a single dime of cost to Uncle Sam!** The private dams would save $133 million in government construction costs and in addition the Company would pay $9.5 million annually in federal and local taxes. The federal project would pay nothing. The company will furnish power for 4.5 to 5 mills while the Federal dam power would cost 3.79 to 4.4 mills even though it would be tax exempt. Furthermore, the Company had already either irrevocably committed or had actually spent $57,000,000. To take over from them would mean that this amount would be spent in addition to the $133 million that the dam would cost. The Federal project, including future obligation would cost California taxpayers over fifty million dollars between 1958 and 1964. Far-away Florida would have to fork over in excess of $9,000,000. Taxpayers in little New Mexico and sparsely settled Nevada would pay out over one million dollars . . . All this to build a dam that would be filled in one out of every five years . . . To summarize let me say that I opposed this project because when you really sharpen your pencil and use honest bookkeeping methods, you find that the cheapest deal for the United States Government is to let private enterprise handle the job. Public power is essential in some areas, but not in this one!

—o—

This story about the veteran campaigner in the South tickles my funny bone. In trying to get an elderly lady's vote the candidate spent the afternoon chopping wood for her. When she asked, and he agreed to carry it into the house he thought he had at least one vote for sure. As he reached the fireplace he heard a noise. Looking over toward the source he was amazed and dumbfounded to see his opponent—churning butter!

—o—

How to make money farming. Get a farm in the flood drought area of the mid-South. When the floods wash the land away, get government flood relief. When the winds and dust storms of the drought bring it back and pile it in dunes, get government drought relief. Meanwhile, get soil bank payments for not growing anything on it while it was gone.

"SPUTNIKS" SHOWN AT PLANETARIUM

With two Sputniks now circling the earth, public demand has decreed a temporary change in policy for Morrison Planetarium in Golden Gate Park at San Francisco.

The special show "Satellite," started last month when Sputnik I was launched, will be held over for the entire month of November, the first time—except during the summer—the Planetarium's "new-show-each-month" policy has been altered, according to George Bunton, Planetarium Manager.

Performances are given at 3:30 and 8:30 p.m. daily except Monday and Tuesday with an extra 2 p.m. matinee Saturdays and Sundays.

Widen Teaching Scope Object of Survey Here

Parents are mailing in their findings showing a greater interest in teaching of today's youth. Subjects include the school program, outside activities, home school contacts, counseling and guidance, school policies, preparing for the future, needs of adolescents and family cooperation. Parents are encouraged to list other topics in which they may be interested.

Buc Bees Crush Jets; Seek Loop Title Today

Quarterback Benny Lujan passed for two touchdowns to lead the Campbell High Bees to a 28-7 victory over Sunnyvale last week and give the Bees a shot at a tie for the league championship.

The Bees host the league leading Santa Clara Panther Bees today at 3 p.m. at Campbell field in a game that could decide the league title.

Campbell has won six and lost one and stands in a tie for seconde place with James Lick. A Campbell victory over the undefeated Panthers could result in a three way tie for the championship.

The Panthers have not been scored on all season in rolling up seven straight victories. The league leaders have scored an impressive total of 232 points against their opponents this season and will field the toughest offense the Bees have faced this year.

Campbell Coaches Hal Raley and Rod McDermott said this week that the Bees "could win this one if the squad is up to its potential."

Raley feels that if his team can score on the Panthers they will gain a definite "mental advantage". The Panthers have never been pressed this year and an early Campbell touchdown could mean a great deal.

Santa Clara depends primarily on its running game and has passed very little this year. The Bees have been drilling on ground defense this week and must contain the Panther backfield to have any chance for an upset.

The win over Sunnyvale increased the Bee win streak to six games. The Bees drew first blood against the Jets, scoring on a 70 yard drive early in the first quarter.

Left half Ron Wilson, the Bees' leading ground gainer, capped the 10 play drive when he drove over from two yards out. Lujan went around end for the conversion to make it 7-0.

Sunnyvale scored later in the same quarter after Jet left half George Gioia intercepted a Lujan pass at the Campbell 45 and returned to the 10. Gioia scored on the next play and the conversion was good to tie it up, 7-7.

The Bees took the kickoff and drove right back to another score, going 86 yards in seven plays. Lujan passed to right half Marc Bahl for the TD on a play covering 32 yards. Wilson's plunge for the conversion gave the Bees a 14-7 lead at half time.

The Bees scored again late in the third period on a 48 yard touchdown pass from Lujan to left end Harry Tomasaka that capped a 55 yard drive that took three plays. Yamamoto's PAT made it 21-7.

DEVITA ON THE MOVE ... Mike DeVita of Campbell scampers 30 yards to a touchdown as the Billy Wilson Hornets clinch the Northern California Pop Warner Conference championship by toppling the Livermore Warriors, 27-6, Sunday at Campbell. The hard-charging fullback racked up two touchdowns and two conversions to lead the Hornets to the crown.

Press photo by Lafferty

Hornets Stun Livermore, 27-6 To Take Northern Crown

Fullback Mike DeVita of Campbell banged over for two touchdowns here last week to spark the Billy Wilson Hornets to a 27-6 win over the Livermore Warriors and the Northern California Pop Warner Conference championship.

It was the tenth straight win for the undefeated Hornets this season and gave them a shot at the mythical state championship. The Hornets will meet an all-star team representing the southern division during school Christmas vacation.

The hard charging DeVita scored in the first period on a plunge through the line and tallied again in the fourth quarter on a 30 yard scamper up the middle. DeVita also racked up two conversions for the Hornets.

Hornet quarterback Randy Sutton also turned in a fine offensive performance, driving over for one TD and passing to set up another.

The Hornets, who scored in each quarter, drew first blood when DeDVita drove over from two yards out and then added the coonversion to make it 7-0. Sutton's 25 yard pass to end Allan Hunkin set up the score.

A Warrior fumble in the second quarter set up the second Hornet score, End Ron Hallquist fell on the free ball at the Livermore seven and Sutton scored two plays later from five yards out. DeVita added the PAT to give the Hornets a 14-0 lead.

The Warriors bounced back to score on the kickoff when Jon Phillips took the ball on his own 25 and went all the way for a touchdown. Bruce Henry's plunge for the PAT was short and the Hornets led, 14-6, at halftime.

In the third period, after two touchdown runs were nullified by penalties, Ron Bondi went over from the Warrior 11 to make it 20-6. A 20 yard sweep by DeVita during the drive helped set up the score.

The Hornets scored again in the fourth quarter when DeVita got his second TD of the day on a 30 yard jaunt through the Warrior line. Halfback Joe Cavallero's extra point capped the Billy Wilson scoring.

TURKEY DAY TILT

Plenty of action is in store for Campbell football fans next week when the Campbell High varsity renews its traditional rivalry with Los Gatos Thanksgiving Day at 11 a.m. on the Campbell field. The Campbell High Bees open warfare on Camden High Wednesday at 3 p.m. at Campbell field in the first intra-district battle between the two schools.

'D' Hoopsters Win Loop Championship

Campbell High's high flying D basketball team clinched the SCVAL D league championship by winning their final two games this week.

The Ds topped Buscher, 29-14, and beat Fremont, 27-11, to finish the season with a 10-won, one-lost season record and win the league title.

Chester Itow was high scorer for Campbell in the Buscher game scoring eight points while Al Sequira was next with seven. Sequira was high man against Fremont with nine points.

Cougars Top MV; Meet Los Gatos

Camden High's Cougars turned two Mountain View fumbles into touchdowns in the first quarter and then rolled to an impressive 39-12 win over the hapless Eagles last week.

The Cougars play Los Gatos there tomorrow at 8 p.m. in a game that could give the Cougars undisputed third place in the SCVAL and might put them into second place behind Santa Clara.

The Cougars are now tied with Los Gatos for third, both teams having 4-2 season record. James Lick is only one step ahead of the Cougars with a 5-2 record and a Camden victory tomorrow would drop Los Gatos and, should Lick lose to Washington, might put the Cougars in second place.

TOPS IN NATION

Steve Skold, outstanding swimmer of the Campbell Swim Club, tops the nation in seven swim events in the 15-16 age group, it was reported this week. Coached by Len Scroggins of the Campbell High coaching staff, Steve set the marks during the past swimming season.

'C' Cagers Finish In First Division

The Buc C basketball squad of Campbell High won both its final games this week to finish fourth in SCVAL league standings.

The Cs defeated Buscher, 38-32 in an overtime game and scored 17 points in the fourth quarter to top Fremont, 41-31.

The Cs scored eight points against Buscher in overtime to break a 30-30 fourth quarter tie. Dick Mayeda, who was high scorer for Campbell with 18 points, scored four in the overtime period and Kent Winters scored two. Winters was second high scorer for the game with 14.

Mayeda, Winters and Bill Vega shared scoring honors in the Fremont game. Mayeda was high with 15, Vega was next with 12 and Winters scored 10.

Cougar Bees Win

Cellar-dwelling Mountain View proved no match for the Camden High Cougar Bees last week as the Cougars rolled up a 37-7 victory to stay in the league's first division.

The Cougars face Los Gatos tomorrow at 6 p.m. at Los Gatos in a preliminary to the Cougar-Cats varsity contest. Both teams are tied for fourth place in the league with three wins this season.

Camden JV Mauls Campbell JV, 23-0, In Intra-district Tilt

Camden High JV halfback Tom Margrave scored two touchdowns and three conversions to lead the Cougar JVs to a 23-0 win over the stunned Campbell High junior varsity last week in the first intra-district football game between the two schools.

The Cougars jumped into the lead on the opening play of the game when Margrave broke loose for 67 yards and a touchdown and then converted to make it 7-0.

Campbell could not muster any offensive power and did not cross the fifty yard line until the fourth quarter. The Bucs picked up only one first down in the first half and only four in the game.

The Cougars dominated the play all through the game, rolling up 10 first downs and containing what there was of the Buc offense.

The Cougars picked up two more points in the second quarter when Campbell halfback Cal Hogg fell on his own fumble in the end zone for a Cougar safety to make it 9-0 at halftime.

After a scoreless third quarter marred by fumbles by both teams ,the Cougars got a break in the final period when Camden tailback Larry Fiest recovered Campbell quarterback Herb Rose's fumble at the Buc 24.

Fiest and Margrave moved the ball to the Buc two in seven plays and Margrave went over to make it 15-0. Margrave went around end for his second conversion to put the Cougars out in front, 16-0.

Camden end Spencer Profit scored the Cougar's final touchdown late in the fourth quarter when he intercepted a Rose pass at the Buck 35 and went in for the score. Margrave's third conversion of the game made it 23-0.

The Bucs threatened to score in the final minutes when they drove to a first down at the Camden 12. But the drive fizzled and the Cougars took over on downs on their own 10 as the gun sounded.

Bucs Edge Sunnyvale; Host Unbeaten Panther

Campbell High's Buccaneers went 68 yards to a touchdown in two plays late in the fourth quarter last week to grab a 20-13 win over the Sunnyvale Jets. It was the second straight win for the Bucs.

Campbell returns home tomorrow at 3 p.m. to face the league leading Santa Clara Panthers at Campbell field.

The Panthers are undefeated in seven games so far this season and have scored 184 points to their opponents' 33. Santa Clara will field the most formidable squad the Bucs have faced all year.

In the Sunnyvale game, it was big Kenny Buran who led the way for the Buc victory. Buran rambled 74 yards to pick up the first Buc TD on a pass from quarterback Bob Whitewing, went 19 yards around end for the second score and took another Whitewing pass to set up the third.

Buran was the workhorse for the Bucs, carrying the ball 14 times for 87 yards and a 6.2 per carry average, and picking up 101 additional yards on two pass receptions.

Whitewing's passing kept the Bucs in the game as he completed five out of 10 attempts for 123 yards and a touchdown. Whitewing also intercepted a Jet pass to stop a Sunnyvale threat and set up the Bucs' first score.

Left half Ron Corbus scored the final Campbell TD when he went off tackle for 19 yards to go into the end zone standing up. Corbus, who picked up good gains through the line during the game, also intercepted a Jet pass after the Bucs had taken the lead to crush a last minute scoring attempt by Sunnyvale.

Linebacker-guard Tom Farley again was a defensive terror for the Bucs. Farley recovered a Jet fumble to set up the Buc's second TD and continuously knifed through the Sunnyvale line to break up Jet plays.

Tackles Dave Walters, Verne Walton and Don Grannis were also defensive standouts, plugging holes in the line to stop Jet thrusts. Guard Roy Tannehill and end Jim Omura were also strong defensively for the Bucs.

Campbell seemed to lack the punch necessary to push over scores after long drives. The Bucs drove to the Jet 25 twice in the second quarter and once in the fourth but failed to score and lost the ball on downs.

In the closing seconds of the game the Bucs again drove to first down at the Jet six and failed to score in four downs.

The Jets drew first blood, scoring the first time they got the ball. With halfbacks John Dutra and Sam Avila spearheading the drive, they went 90 yards in 14 plays for a TD, with Dutra scoring from seven yards out. End Wayne Beck's conversion kick made it 7-0.

The Bucs got back in the game early in the second period after Whitewing intercepted a Jet pass at the Campbell 10 and returned to the 20 to stop a Jet drive.

Three plays later, with the ball on the Buc 26, Whitewing tossed a screen pass to Buran just over the line and the big fullback went down the sideline to score. Fullback Don Womer's kick was wide and the Jets led 7-6.

The Jets bounced right back for another touchdown when Avila took the Campbell kickoff at the Jet 15, bobbled it, got control and scooted 85 yards to score. Beck's kick was partially blocked and the score remained 13-6.

With two minutes left in the half, the Bucs got a break when Farley recovered Jet quarterback Don Maselli's fumble at the Jet 19. Buran went around end to score on the next play then added the conversion through the line to tie it up, 13-13.

Re-CALLING the PAST

From the Files of
The Campbell Press

FIVE YEARS AGO

Bill Jones' Wildcat train will run again Sunday, if it doesn't rain. The Wildcat Railroad, at Daves and Santa Clara-Los Gatos roads, will make its final run of the season for the Job's Daughters, Bethel 174. The girls issue a poetic invitation: "Bring your lunch, We'll have the punch."

More than 150 guests gathered at the First Methodist Church here to celebrate the Golden Wedding Anniversary of the Rev. and Mrs. Edwin Bowling.

TEN YEARS AGO

Determined to get "around the world in 80 days" (or so), Charles D. Cutting, a Campbell graduate of a few months ago, is in New Windsor, Md., and hopes to be in northern England by Christmas on his way around the world.

("C. D.", who is now a Pan American Airlines pilot in Honolulu, is back in Campbell this week on vacation with his wife and baby daughter.)

William C. Henley, superintendent of schools, announced that San Tomas and Moreland grammar schools were "40 per cent completed" and work was continuing rapidly to relieve the double shifts of classes at Campbell Grammar School now being used to accommodate students from the two areas.

TWENTY-FIVE YEARS AGO

Campbell township residents did not agree with the rest of the nation and favored Hoover over Roosevelt, 547-495.

Ralph A. Smith and Mrs. G. E. Salisbury hurried work on their combined grocery store and service station at Sunnyside avenue and Los Gatos-Santa Cruz road and hoped to be open for business soon. Smith said he believes Campbell has a real business future because of its climate and accessibility.

Many Campbell residents headed for the AAA national championship 150-mile automobile race at Oakland Speedway where Barney Oldfield was acting as official referee.

The girls of Campbell Union High "this week once again demonstrated their fighting spirit" by winning both games at a Hockey Sport Day held here with San Jose and Los Gatos high schools.

"Through a series of brilliant plays and smooth teamwork, colored by that spirit of good, clean sportsmanship, which all league girls exhibit, Campbell came out victorious, the opposing teams scoring no points at all."

Daugherty's Drug Store Set for Grand Opening

Daugherty's Drug Store in Cambrian Park will celebrate moving into larger quarters at 14261 S. Union Ave. with a grand opening Thursday, Friday and Saturday of this week. The opening will feature door prizes and drawings at 3 p.m. all three days.

After nine years in their former location one half block away, the owners, Thomas and Georgia Daugherty, found it necessary to build a larger building to take care of increased business. The new building is contemporary in style and double the size of their former location. Many new fixtures have been added to give better stock display.

The Daughertys have added several new lines of cosmetics, Tussy and DuBarry, and a photo department with 8-hour service to their stock of general drugs, sundries and costume jewelry. The store also has free delivery service.

Beside Daugherty, two pharmacists, Warren Sammer and Sig Johnson, and seven clerks are on hand to give prompt and efficient service to customers. They are Gladys Taylor, Marie DuPont, Ramona Sinclair, Pauline Ocken, Geraldine Ocken, Anne Will, and Stephen Swenson. Gladys Perrault is usually behind the scenes in the bookkeeping department.

Big Boy Market Open as Usual

Big Boy Market on Hacienda Ave. is now undergoing some extensive remodeling but is still open for business as usual.

Customers now drive into the side parking lot and use the side door instead of the front because a huge canvas is draped over the entire front of the building. The canvas covers work on a 20-foot extension and a new entrance. The store is also being enlarged across the back.

Antone Turturici, owner of the market, says the remodeling should be completed before Christmas, making the building approximately double in size.

Moreland Gets Funds for a New School

State funds were allocated Wednesday for a sixth school in the Moreland Elementary School District, it was announced by Mrs. Gussie Baker, superintendent. Estimated cost of this school is $439,670 of which the district will furnish $184,000 with the state the remaining balance.

To be located on Brenton avenue just west of Saratoga road, the new school will have twelve classrooms, two kindergarten rooms and a small arministration unit. It is planned for opening next September.

There are 2033 students enrolled in the Moreland School district, as campared with 1567 in 1956.

Former Campbell Matron Will Head S. J. Cancer Unit

Mrs. John P. Smith of San Jose, the former Dorothy Harnish of Campbell, will head the San Jose unit of the American Cancer Society during its initial year, it was announced today.

Mrs. Smith is the daughter of Mrs. G. A. Robillard, who now lives in Los Gatos. She was graduated from Campbell High School and went on to San Jose State College, where she received a degree in 1952. She and her husband, an orchardist, have four children.

The San Jose unit of the American Cancer Society is one of thirteen community 'units being organized by the Santa Clara County branch office. There is a unit in Campbell.

Curriculum Guide For High Schools

A curriculum guide prepared by the teaching and administrative staffs of the Campbell High School District is expending its field of offerings in the district. This is being developed by faculty members of the Secondary Education Department of San Jose State College.

ADHESIVE PRINTING FIRM FOR SAN JOSE

The first pressure sensitive adhesive tape printing firm to be established in this area is soon to be set up in San Jose by the Adhesive Printing Company. Park Howard is owner of the company.

MICROWAVE LABORATORY MOVING TO SUNNYVALE

Work is soon to start on a 30,000 square foot building in Sunnyvale for Huggins Laboratories,developers and researchers of microwave vacuum tubes used in electronics industries. Richard Huggins, president, says the investment in the Sunnyvale plant will be $500,000 including equipment which is now being operated at a plant in Menlo Park. They will employ 125 persons.

Pupils Entertain Steindorf Club

Approximately 200 parents of the Steindorf Home and School Club turned out November 12 to watch the fifth graders stage a short play and sing.

It was announced that Seindorf School will have its annual salvage drive in January and parents were asked to save old cottons and wools to make the drive a success.

Mr. Williams' class was awarded the attendance banner for one month as the class having the most parents present.

A dozen homemade cakes were awarded through drawings at the close of the meeting at which fifth grade mothers were hostesses.

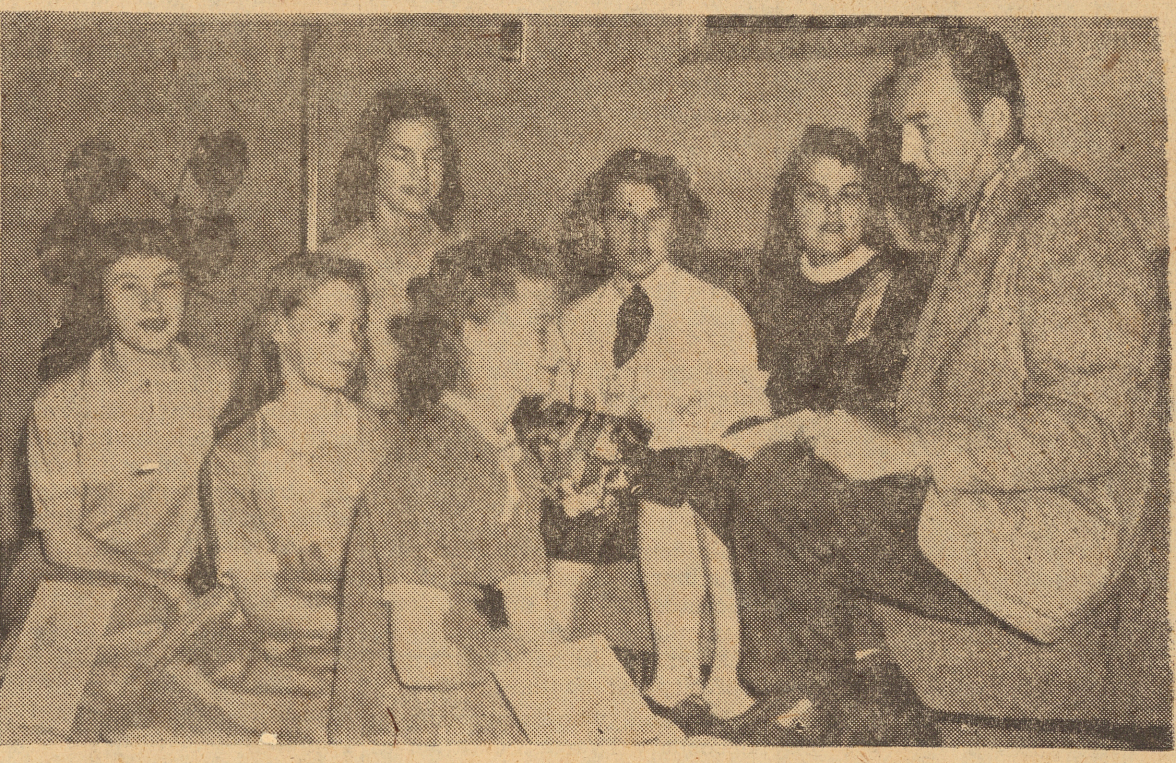
At the December 10 meeting, sixth graders will perform and more cakes will be awarded. Mothers who would like to donate a cake are asked to contact Mrs. Bess Zimmerman. ES 7-3156,for further information.

Kaucher Sisters Exhibit Oils Here

A showing of oil paintings by the Misses Dorothy and Mildred Kaucher is on display at the Campbell Stationery store this month.

Miss Dorothy Kaucher, artist, lecturer, author and professor emeritus of speech of San Jose State College, recently appeared before the Country Woman's Club as guest speaker.

Miss Mildred Kaucher, a painter of undersea fantasies, cats and portraits, has exhibited widely in California.



THETA RHO GIRLS LENT A HAND ... to the Muscular Dystrophy fund drive held in Campbell Wednesday night by ringing doorbells in the residential district. The Campbell drive is part of the current national drive to collect funds to further care and research on the disease for which there is no known cure. Shown receiving their badges and kits from William Wyatt, southwest county chairman, prior to their night march are Connie Loveday, Cheryl Daves, Joan Geist, club president, and (foreground) Sherry Barker, vice-president, Geralee Drew and Marilyn Gilpatrick. The 'Look of Elegance' Foremost In Spring and Winter Fashions

Some of the most controversial styles to be seen in many a year were shown last Wednesday evening at St. Lucy's fashion show at Hawaiian Gardens.

At least 600 people packed the beautifully decorated Terrace Room to see what Macy's had to offer in the way of new fashions for milady and found the "look of elegance" dominates winter and spring wardrobe with some attempt to replace the tight-fitting sheath with the "light-fitting" chemise.

"Light-fitting" refers to the "sack" look which was a show stopper, to say the least. It resembles nothing so much as the shapeless dresses of the flapper era and is usually topped with a hat that looks like an inverted bucket with decorations. They are definitely not for the plump figure.

Mrs. Raymond Triplett effectively modeled one of these unusual creations in a dark wool herringbone which featured full-length band of wide black leather lacing down the front and a bow at the neckline.

Another which the show's charming commentator Mrs. Adolph Pedrin, remarked emphasized the "relaxed" look was a soft green light-weight wool chemise shown by Mrs. Gordon Kiele. The interesting feature of this gown was its back fullness which was gathered to a shoulder yoke and billowed out as she pivoted and strolled the ramp.

Also in the limelight was Mrs. Pedrin's frock, an embroidered white chemise with three-quarter sleeves which she accented with long multiple strings of gold and white beads and white cloche hat.

The men proved to be surprisingly good models, Tom Connolly showing a dark grey hooded car coat and Bob Armanosco a grey corduroy suit designed for casual living. Car coats are becoming a very popular item for the men as well as the women this year.

In casual and sport clothes, bold wide bands and horizontal stripes were much in evidence, especially in skirts and slacks. Diane Bahl appeared in a full gored rainbow-banded skirt and displayed seven sweaters of various colors with which it could be matched, truly a teenager's dream.

The plaids were often shown in soft pastel colors such as the apricot and white sheath with matching cummerbund shown by Mrs. Doyle Malone.

Sheaths still seem to be tops in the fashion world with models shown in jerseys, wools, and velvets. Many of the dresses feature a softening influence with tucks, side drapes or sashes. Fashion experts say hems will be higher this spring, 17 inches from the floor as compared to today's 14 inches.

All in all, the majority of styles shown were beautifully designed and would be flattering assets to any woman.—V. F.

Farnham Club Hears Dental Aid Report

The November meeting of the Farnham Home and School Club featured slides and a talk by Dr. Donald L. Thompson of Los Gatos, who emphesized the importance of baby teeth, proper home care, a suitable diet, and desirable oral hygiene practices. After his talk, Dr. Thompson answered questions raised among the 140 members present.

For the opening, Mrs. Gussie Sanders' Brownie Troop 466 served as color guard. The decorations were by Mrs. Thelma Hansen and Mrs. Vickie Russell. William N. Gray explained his work in organizing a Pop Warner Football team for the Cambrian area.

—o—

Mrs. Fay Schoonover announced the class winners of the recent Home and School Club membership drive. Mrs. Phyllis Johnson's fourth grade class led in the percentage of parents who joined, followed by Mr. Albert Handley's fifth grade class and Mrs. Wrey Richard's kindergarten class.

Pastry Expert Demonstrates Cake Decorating

Tips on how to decorate cakes for special occasions and holidays were given members of the Country Woman's Club at Monday's meeting.

Max J. Ackerman, owner of the Swiss Pastry Chalet in Cambrian Park and expert in creative culinary and pastry art, personally demonstrated his techniques for flower making and other intricate decorative designs for cake toppings. Ackerman, first prize winner in the Western Division of Culinary Arts exhibition at San Francisco last month and holder of many awards, also showed a film he had made on creative decorating to illustrate his talk.

At the conclusion of his program, members were served pastries from the Swiss Chalet by Ackerman.

Musical entertainment was furnished by Mrs. Richard Fields, accompanied by Mrs. David Sanders, who sang "My Hero" from the "Chocolate Soldier", and "Italian Street Song" from "Naughty Marietta".

New members taken into the club during the afternoon are Mesdames Fred Stubblefield, Karl J. Belser, Robert J. Manthey, and Miss Anne DeGroot. A welcome was extended to Mesdames Kenneth Wood, Howard Lindstrom, Henry Diehweger and Mrs. J. E. Giacomazzi, who became members at a previous meeting.

He that hath truth on his side is a fool as well as a coward if he is afraid to own it because of other people's opinions.
—Daniel Defoe

Camp Fire and Blue Bird News

There are letters from Okayama at the office for girls who would like to write in connection with the birthday project, "Meet the People". Most of the letters are from teen-agers.

—o—

Welcome to the new sixth grade Hamilton Camp Fire group who call themselves "Kani Adowan". Although they are a brand new group, they are trying hard to pass rank by Christmas.

Led by their outdoor sponsor, the girls went on a two-mile hike over Lexington Dam last Saturday. They found that hiking and watching for things in nature is one of the things they want their group to stand for —thus the name was formed; Kani for things they will enjoy in the outdoors, and Adowan for the love in their hearts that makes them sing as they go about this business of being 10 and 11-year-olds and full of life.

The girls elected Kay Wirth president; Jackie Chappell, secretary; Frances Moore, treasurer; and Cheryl Risner, scribe. Others in the group are Carol Bridgeman, Linda Earp, Delores Sanchez, Glenna Archey, Judy Stanley, Mary Jamieson, Patti Egan, Rhyse James, Patsy Brownfield, Reba Salle, and Rosita Duran.

Guardians and sponsors are Mesdames S. A. Wirth, guardian; Mrs. Iva Archey, assistant; Naomi James, advisor; M. C. Kern, J. E. Chappell, H. L. Bridgeman, and Mrs. Iva Archey, sponsors.

—o—

The Bright Blue Birds, second grade Dover group, visited the Borden Dairy Tuesday with their leader, Mrs. Chiquita Lockhart.

Just as they arrived, the group saw a big milk tank truck being washed. From the tank trucks, they followed the route of the milk as it was pumped into the processing room and on down to the bottling room where they saw it put into the very cartons they get their milk in at school. They were very much impressed with the dairy and doubly so when presented with an ice cream bar treat at the end of their visit. Mrs. A. J. Wilson made all arrangements for the girls' trip.

Girls who visited the dairy were Nancy Dorman, Vickie Keesling, Laura Lockhart, Kathy Matthews, Carolyn Praisewater, Susan Wilson, Debbie Lowe, Margaret Ashley, and Joan Thornby.

Merry Christmas

CLUB AND LODGE MEETINGS
Women's Service Club of Campbell

The Women's Service Club of Campbell will meet at the home of Mrs. Elliott Fisher, 602 Monroe, San Jose, Wednesday, November 27 at 2 p.m.

Co-hostesses with Mrs. Fisher will be Mrs. Raymond Davis and Mrs. William Ostermeier. Mrs. Boyd Fair is program chairman.

—o—

S. C. Valley Audubon Society

Sunday, November 24, the Santa Clara Valley Audubon Society will go to Hidden Villa Ranch in the hills west of Los Altos. The group will meet at 9 a.m. at the olive grove at the entrance. All interested people are invited to attend; there is no charge.

Follow signs to Adobe Creek Lodge; the ranch is about one mile farther on the same side of Moody Road. Bring a lunch.

Mr. and Mrs. Emmauel Taylor are in charge of the hike.

—o—

Star Circle, O. E. S.

Star Circle, Order of Eastern Star, will meet for a dessert lunch and election of officers at 1 p.m. Friday, November 22, at the home of Mrs. John Kregelo, 11556 S. Wood Ave., Saratoga.

The Kregelo home is located one block east of the Holiday Shopping Center on the Saratoga Highway.

—o—

SCHOOL NEWS
Strawberry Park PTA Board Meeting

Executive Board of Strawberry Park PTA will meet Tuesday, November 26, at 8 p.m. in the teachers' room.

Program plans for the rest of the year will be discussed and plans made for the Christmas party.

The regular PTA meeting will be held Thursday, December 5, at 7:30 p.m.

—o—

CHURCH NEWS
Congregational Church

Next Sunday there will be baptisms and reception of new members at the 10 a.m. worship service at the Congregational Church, 400 W. Campbell Ave.

Immediately following the service, the Sigmas will hold a coffee hour so that the congregation can greet new members.

There will be a special Thanksgiving Day service November 28 at 9:30 a.m. The offering will be devoted to the "Share Our Surplus" program whereby each dollar given will provide approximately 200 pounds of food for distressed people overseas.

Nursery School to Hoid Bake Sale

Campbell Parents' Nursery School has scheduled a bake sale for Saturday, November 23, at Lee Brothers Market on Winchester Road. The sale will begin at 10 a.m.

On sale will be cakes, pies, cookies, cupcakes, and various types of bread made by mothers of the nursery school.

Proceeds from the event will be used to purchase equipment for the nursery school which will open around the first of January in the new wing of the First Methodist Church.

The "Odds and Ends" group of the church will meet Tuesday morning, November 26, at the church at 9:30 o'clock.

Board of Christian Fellowship is scheduled to meet at the church Wednesday, November 27 at 7:30 p.m.

Sunday, the Senior Pilgrim Fellowship group and parents will hold a potluck dinner at the church at 6:30 p.m. The program will be a culmination of the series, "These Parents of Ours", with role playing and discussion by PF members.

—o—

Prince of Peace Lutheran Church.

Sunday, November 24, is Stewardship Emphasis Sunday for members of Prince of Peace Church. At 10:30 a.m. worship service, Pastor Welchert will preach on the theme, "The Gift God Wants", and teams of men will be commissioned for the "Every Member Visit".

Sunday evening, both Luther Leagues will meet at 7 o'clock; the Intermediate group at the David Avery home and the Seniors at the Alvin Brewer home.

Thanksgiving Day, November 28, worship service will be conducted at 8:30 a.m. in the Saratoga Foothill Club.

The week of November 24 to December 1 has been designated as the week for the annual clothing appeal for Lutheran World Relief. Members are urged to bring their donations on either of these two Sundays to the Saratoga Foothill Club or directly to the parsonage.

—o—

First Chruch of Christ, Scientist

Man's God-given ability to resist sin, disease, and all discord will be emphasized at Christian Science services Sunday in the lesson-sermon entitled "Soul and Body".

Matthew's account of Christ Jesus' healing of the centurion's servant who was "sick of the palsy" (8:5-10, 13) will be included in the scriptural readings from the King James Version of the Bible.

The public reading room at 309 E. Campbell Ave. is open Monday, Wednesday, Friday and Saturday from 11:30 a.m. to 3:30 p.m.

—o—

First Methodist Church

The theme of The Rev. Herbert W. Neale's sermon for next Sunday November 24 will be "On Facing Yourself". Duplicate worship services are held at 9:30 and 11 a.m. and families are invited to come together. Sunday school classes for all ages meet at the same hours.

Youth groups will meet as usual at 7 p.m. Sunday.

The Building Committee meets Monday at 7:30 p.m. in the Fireside Room. This is a very important meeting and all members are urged to be present.

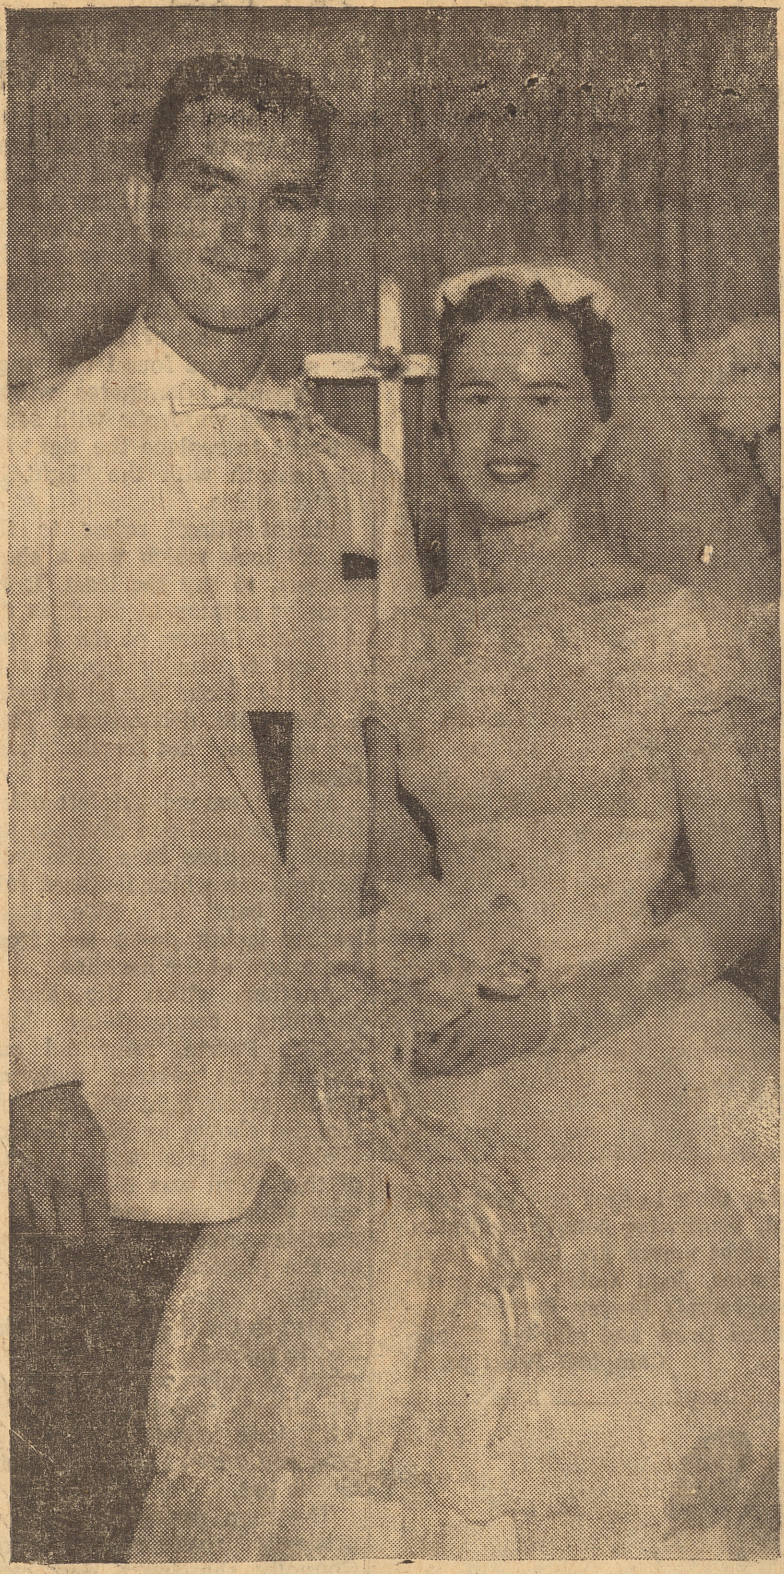
WSCS study class on "Christ, the Church and Race", will meet Tuesday at 1 p.m. in the Fireside Room.

The Fellowship Party for new members and church leaders will be held Tuesday at 7:30 p.m. in Fellowship Hall.

The Official Board meets Wednesday, November 27, at 7:45 p.m. in the Fireside Room.

A special Thanksgiving service will be held Thanksgiving Day from 9:30 to 10:30 a.m. in Fellowship Hall with Reverend Neale as speaker.

Friday, from 7 to 10 p.m., the Christian Adventure Group for seventh and eighth graders will meet in Fellowship Hall for a party.



NEWLYWED GEORGE SPARRERS . . . Now at home in San Jose after their marriage October 27 in St. Francis Episcopal Church are Mr. and Mrs. George Rahn Sparrer. The bride is the former Barbara Harrison, daughter of Mr. and Mrs. William L. Harrison.

George Rahn Sparrer Claims Barbara Harrison as His Bride

Wearing a bouffant floor-length tiered white embroidered organdy gown, Barbara Harrison became the bride of George Rahn Sparrer in a double ring ceremony October 27 at St. Frances Episcopal Church The 4 p.m. rites were read by the Rev. F. Marshall Wickham before an altar banked with chrysanthemums.

Barbara's gown was styled with a fitted bodice featuring embroidered and scalloped organdy around the neckline and brief sleeves. A small cap secured her elbow-length veil and she carried a prayer book marked with a white orchid and lilies-of-the-valley when given in marriage by her father.

Bridal attentants gowned identically in princess-styled white chrystallette were Mrs. Mary Sublette, matron of honor; Miss Patricia Harrison, sister of the bride, and Mrs. Ronda Jordan, bridesmaids. All carried bouquets of red roses with red velvet streamers.

Donald Perata served as best man and Jim Riley and Dennis McCoy were ushers.

The daughter of Mr. and Mrs. William Harrison of 204 Alice Ave., Barbara is a graduate of Campbell High School and member of Job's Daughters, Bethel 174 of Campbell. She is employed by Associated Wholesalers, Inc., of San Jose.

The groom, son of Mr. and Mrs. George M. Sparrer, 855 King Fisher Drive, San Jose, is also a graduate of Campbell High. He attended San Jose Junior College and is now employed by Pacific Telegraph and Telephone Company.

For her daughter's wedding, Mrs. Harrison selected a winter white wool jersey sheath and cerise and white accessories. Mrs. Sparrer, mother of the groom, chose a pink shantung sheath with navy blue accessories. Both wore corsages of baby white orchids.

Immediately following the wedding, the young couple received 200 guests at a reception at St. Lucy's McNaught Hall before leaving on their honeymoon trip to Carmel.

For her wedding trip, the bride donned a gray and blue tweed suit trimmed in gray velvet and matching accessories.

The newlyweds are now making their home in San Jose at 918 Delmas.

St. Lucy's Youth Slate Fall Dance

There will be a gay time in St. Lucy's parish hall Saturday night November 23 when the youth club, "The Highlighters" gives its annual fall dance, "Autumn Leaves".

Music will be furnished from 9 p.m. to midnight by Tony Risso and his "real hep" band and refreshments will be served during the evening.

All are invited to attend and have a pleasant evening at the hall which is located on Winchester Road, next to the new church.

Bids may be obtained by calling Sylvia Gray, FR 8-3688; or Terry Gamble, FR 8-0502. Bids may also be obtained at the door Saturday night.

—o—

True politeness is perfect ease and freedom. It simply consists in treating others just as you love to be treated yourself.
—Chesterfield

Social Chatter

Just about the happiest people in Campbell Sunday morning were Mr. and Mrs. Bill Engel of 199 W. Rosemary when they received news of the birth of their first grandchild.

The baby, a boy, was born early Sunday, November 17, to their son and his wife, Leroy and Betty Engel who moved from Campbell to Grant's Pass, Oregon, this past year. The boy, named Vallen Wynn, weighed in at 7 pounds 3 ounces.

The new mother is the former Betty Watson, daughter of Mr. and Mrs. Walter Watson of Hicks Road, Los Gatos.

—o—

Anne Levin of Rozanne Shop, Lva Hoyle and Marjaory Allen of Le Mars, attended the spring showing for retail clothiers in San Francisco last week and report the "sack look" will dominate fashions come spring. Woe to us "plump" gals, we'll look like a sack of potatoes, sure enough.

—o—

Ruthann (Mickey) Richards, daughter of Mr. and Mrs. L. E. Richards of 355 Bradley Ave., was pledged to Delta Sigma chapter of Alpha Omicron Pi Sorority last month.

Ruthann, who is majoring in Secondary Drama Education at San Jose State College, attended Campbell High where she was active in the Modern Dance Group, Rally Committee and choir.

—o—

Marlene M. Lamb, a junior Education major at Humbold State College, has been elected vice-president of Sigma House, upper division women's living group on campus.

Marlene is the daughter of Mr. and Mrs. Norman A. Lamb, 103 W. El Caminito, and a graduate of Campbell High.

S.J. Pastor Tells Dover Parents of Visit to Russia

Dover Home and School Club turned out a capacity audience Monday night to hear Dr. L. H. Hildebrandt reminisce about his personal experiences in Russia.

Pastor of the First Congregational Church of San Jose, Dr. Hildebrandt was among the 1956 group of American educators who were permitted to visit Russia and are now telling of their experiences throughout the country.

Dr. Hildebrandt said the group was flown from West Germany at the 5000 foot level, so that they might fully appreciate the countryside over which they were travelling, and housed at a hotel across from the Kremlin.

Generally speaking, Dr. Hildebrandt said he found the Russians both friendly and well educated. The majority in cities had had high school and some college training while those in rural areas had completed high school. The Russian teachers, he found, received not only tremendous prestige, but the highest pay professionally next to government workers.

Culturally, the Russian ballet appealed most to Dr. Hildebrandt, and seemed to be the most popular with the people, tremendous crowds supporting it.

Dr. Hildebrandt concluded his tak on an optimistic note, reiterating his impression of the general over-all friendliness of the Russian people and their seemingly genuine abhorrence of any thought of war with America.

Entertainment was provided by the sixth grade classes under the supervision of Al Semenza. Tom Clark, president, conducted the meeting

LEGAL NOTICE

MORELAND SCHOOL DISTRICT

Santa Clara County, California
November 4, 1957

NOTICE TO CONTRACTORS

NOTICE IS HEREBY GIVEN that the Board of Trustees of the Moreland School District of Santa Clara County, California, hereby invites and will receive sealed proposals for the furnishing of all materials and labor for construction of **ADDITIONS TO BUCKNALL SCHOOL,** Bucknall Avenue near San Tomas Aquino Road, Santa Clara County, California, according to plans and specifications prepared by Birge M. Clark, Walter Stromquist, David F. Potter, 3200 Hanover Street, Palo Alto, California.

All bids must be in writing and on forms furnished by the architects and entitled "Bid, Additions to Bucknall School" and mailed or delivered in care of the Board of Trustees, Moreland School District, at **El Quito Park School,** 18720 Bucknall Road, Saratoga, California, in time so that the same will be received not later than 8 P.M. on the 26th day of November, 1957, at which time said bids will be opened and considered at a meeting of said Board.

Bids shall be presented in accordance with the plans and specifications for said work which are on file in the office of said Board, 4610 Strawberry Park Drive, San Jose, California, and at the office of the architects, Birge M. Clark, Walter Stromquist, David M. Potter, 3200 Hanover Street, Palo Alto, California. A deposit of $50.00 per set will be required from all contractors receiving plans, said deposit to be refunded by the architects when plans and specifications are returned in good condition.

All bids must be signed by the bidder and be accompanied by a Bid Bond, or a certified check or cashier's check for an amount not less than 5% of the amount of the bid, said checks to be drawn payable to the order of the Moreland School District as a guarantee that the bidder will enter into a contract with said Board of Trustees of the Moreland School District in accordance therewith upon being notified of the acceptance of said bid, and will furnish the surety bonds as required by the specifications and by law, and said check to be forfeited to said Board of Trustees of the Moreland School District should the bidder fail to execute the contract and furnish the bonds above mentioned.

Workmen employed on said work shall not be paid less than the hereinafter set forth prevailing scale of wages:

Classification	Hourly Rate
Carpenters	$2.90
Plasterers (8-hr. day)	3.43
Plumbers	3.30

all others in accordance with the rates fixed by schedule adopted by the Board of Supervisors of the County of Santa Clara, to which reference is hereby made for rate of payment not herein specified.

The prevailing wage scale heretofore adopted by the Board of Supervisors of the County of Santa Clara on June 4, 1951, as amended, is hereby adopted as the general prevailing rate of per diem wages in the locality in which said public work is to be performed for each type or craft or workmen needed to execute the contract, and said schedule of wages is hereby specially referred to and incorporated herein and made a part hereof as though the same were herein set out in full, including the specifications therein of per diem wages for legal holidays and overtime work in said locality; and the contractor to whom the contract is awarded, and any subcontractor under him, shall pay not less than the specified prevailing rate of wages as therein specified to all workmen employed in the execution of said contract.

Said schedule of per diem wages is based on a working day of eight hours unless otherwise provided therein, and the wage prescribed therein is the wage prescribed therein is the per diem rate divided by the number of hours constituting the working day.

All skilled and other labor not listed above that may be employed is to be paid not less than the union wage scale for such labor.

Contractors who propose to have subcontractors perform work or labor or render service to them in or about the work should designate in their Bid the names and location of the places of business of each subcontractor who will perform such work, labor, or render service in an amount in excess of one half of one percent of the contractor's bid.

All bidders shall be required to furnish surety bonds for the faithful performance of the work and as required by Section 4200 of the Government Code of the State of California in the amount of 100%.

This Board reserves the right to reject any and all bids, and to waive any informality in any bid received at its discretion.

No bidder may withdraw his bid for a period of 30 days after the time for the opening thereof.

No bid will be accepted from a contractor who has not been licensed in accordance with the provisions of the Contractors' License Act of the State of California.

BY ORDER of the Board of Trustees of the Moreland School District, Santa Clara County, California.

SAM E. MANFRE, Clerk.

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SANTA CLARA
No. 105852

NOTICE OF HEARING APPLICATION FOR JUDGMENT AND DECISION ASCERTAINING AND ESTABLISHING "THE SARATOGA NEWS" AS A NEWSPAPER OF GENERAL CIRCULATION

In the Matter of)
"THE SARATOGA NEWS")

NOTICE IS HEREBY GIVEN that Sherman Miller, Wilma W. Miller, and Helen D. McLeod, publishers, managers, and editors of "The Saratoga News" have filed in the above entitled court their verified petition praying that the court make its decision and judgment ascertaining and establishing that "The Saratoga News" is a newspaper of general circulation.

Said petitioners allege in their petition, in substance, that they are the publishers, managers and editors of "The Saratoga News", a newspaper having subscribers residing in the City of Saratoga, County of Santa Clara, State of California; that said newspaper is published for dissemination of local news of a general character, and said newspaper has a bona fide subscription list of paying subscribers; that said newspaper has been established, printed and published at regular weekly intervals for a period of more than one year preceding the date of the filing of the petition in the City of Saratoga, County of Santa Clara, State of California; that said newspaper is published in the English language and during the English language and during said year has been known only as "The Saratoga News"; that said newspaper has its main office wherein it conducts its business, prints said newspaper and publishes said newspaper at Third Street and Big Basin Way in the City of Saratoga, County of Santa Clara, State of California; and this paper is issued from said address.

NOTICE IS HEREBY FURTHER GIVEN that upon the filing of said petition the above entitled court directed that notice thereof be given by publication for ten days in said paper "The Saratoga News" and also in "The Campbell Press", a newspaper of general circulation published in the County of Santa Clara, State of California, and the above entitled court fixed the time when application would be made for this hearing.

NOTICE IS HEREBY FURTHER GIVEN that said petitioners intend to apply to the above entitled court in the Department of the Presiding Judge hereof in the County Courthouse at San Jose, California, on Tuesday, the 26th day of November, 1957, at 9:30 o'clock A.M., or as soon thereafter as counsel can be heard, for the order and relief prayed for in the aforesaid petition to which reference is hereby made.

Dated this 11th day of November, 1957.

EDITORIAL

Taxpayers Become Upset

If there is one thing in common throughout the state of California, it is the distaste for the increased tax bills that all residents are receiving.

This "ditaste" in some areas has reached such a proportion that a virtual "taxpayers' revolution" is in progress.

This frustrated feeling was not confined to just one section. In three distinct areas that we visited the main topic of conversation was the tax bill.

Granted that the tax bills had just been received and the impact naturally was more acute than it would be after the first shock had worn out, the important point to consider, in our way of thinking, is just what are the taxpayers getting for their money?

The average taxpayer, we think, will not blow up too big a storm if it can be shown that he is getting his money's worth for his tax dollar. However, this so-called "revolution" may result in a new look at the situation and the taxpayer may want a more complete accounting of just what goes on in the tax-spending department.

We think that would be an excellent idea.

One irate taxpayer in southern California told us that he was "sick and tired" of having his tax money build the "biggest and best welfare state in the world." He was referring particularly to the tremendous Los Angeles County General Hospital set-up, rated as the world's finest. He was also thinking of the huge sums that go out of the county general fund into outright welfare grants.

In every area it was conceded that at least 60 per cent of the tax dollar was going for schools. Surprisingly enough the average taxpayer seems resign- to this because of the growth of all the areas—and it is inevitable that schools and more schools naturally follow the growth.

But the taxpaper wants to be certain that this money that is earmarked for schools is being spent properly.

We learned also in one particular area that many of the taxpayers were incensed over the increase in assessed valuation of their properties.

Several of the more upset ones even traveled to the tax assessor's office to give vent to their anger.

The assessor had a stock answer. He asked whetheir the people would take double the assessed valuation for their property in a sale. They naturally said that would be silly, their property was worth more than that.

The assessor then explained that legally their property could be assessed up to half the market value and that the property owners would probably be getting another raise in the future.

The picture is bleak. Make no mistake about that.

It has long been said that nothing is certain but death and taxes.

We contend that taxes are necessary but let's be darned sure that the money is being carefully spent.

A Place to Lick One's Wounds

We have long maintained that those in charge of spending the taxpayers hard-earned money have a grave responsibility.

This responsibility becomes an even more serious chore in face of the ever-rising tax bill.

Yet we also feel that the average taxpayer is deserving of something tangible in the way of return on his investment.

Quite a hunk of Mr. Average Taxpayer's contribution goes to take care of those less fortunate than he, i.e., the maintaining of the county hospital, etc.

A bigger hunk goes to maintain the schools which his kids can attend.

Another hunk goes for streets, etc., over which he can drive.

We feel that it would be in keeping for a teeny-weeny hunk to go to benefit the taxpayer himself.

For example, a recreational area in this vicinity.

If for nothing else, the taxpayer could go there to lick his wounds.

Over the Years

By John D. Blaine

Auto stylist George Walker owns 40 pairs of shoes, 70 suits of clothes. He sits in an office fit for an Eastern potentate, a $50,000 production.

In command of an $11,5 million red brick styling center set midst fountains and shimmering pools, style boss Walker heads 650 artists, draftsmen, modelers and engineers.

The great purpose of this expansive and expensive style center is to please American women. And it is only typical of this vast business.

The auto industry was not always so. Auto makers were not ladies' men. They said you could have a car in any color so long as it was black. The leading maker did not have to advertise. His car was so much of a sensation that anything he did or said was news.

Why don't I mention his name? Today his make of car has to advertise, and I am not advertising it more than any other.

Women were people this man never mentioned. American women took over the motor car industry only after engineering made the car more and more automatic.

Back over the years when I bought my first car almost the only thing automatic about it was its capacity to make its driver trouble.

You started the engine with a hand crank, a job no woman wanted. You went up front where the crank was always in place, at least in my kind. If wise you pulled up with the left hand. If unwise you pushed down with the right hand, and a backfire gave you a broken arm.

A right arm in a sling was almost a badge of car ownership.

After you had jerked up many times perhaps the engine began to shoot. But it rarely shot on all four. You stood and waited for it to warm up. If something still missed you began your tour of inspection.

With my car you started with the coil box on the dash. Here the necessary sparks were supposed to originate. You removed the cover to see if sparks appeared. If all four coils were not right you took them out one by one for testing. No woman wanted this job.

If missing continued you lifted the hood on the right side and tested the four spark plugs, one by one. First you tested their wires. Then with a wrench you removed the plugs. Only the eye of experience told you their truth.

If all was right thus far you turned next to the distributor. You knew it well. Like human nature itself it was prone to trouble. It was at front of the engine, low down, in a very inconvenient place. Removing it was a messy, repulsive job. And to test its functions you plunged fingers into black grease.

If all was okay there you gave heed next to the carburetor. You took it apart. You ran gasoline through it. You put it together again. Now you pulled up on the crank and started the engine for the steenth time.

Now the engine shot on all four. In the carburetor had been some grit. Now you stopped the engine and went into the house to wash up. To get your finger nails clean was out of the question.

No matter, dirty finger nails were a badge of car ownership.

Thost happy masculine days are now gone, perhaps forever. But let us hope not.

Women have the last word. They are delighted with cars that are more and more automatic, more and more comfortable, more and more colorful, more and more designed for beauty of form. All is for them.

Thanks to American women, in the motor vehicle realm "every prospect pleases and only man is vile."

To repeat, only man is vile. As a matter of plain common sense, what are these cars built to please American woman doing to American men? In a previous column I quoted a young woman as saying, "There are no real men!"

Perhaps it is no accident that our women more and more wear pants. Many women feel that our so-called men are less and less worthy of pants. Dorothy Thompson, well-known columnist has a husband. But who knows anything about him, even his name? Nobody questions that she wears the pants.

Does George Walker, great auto stylist, wear pants? He owns 70 suits of clothes. Perhaps he needs 70 suits to make him feel that he has even one pair of pants. I'll go further. Perhaps even his entire staff of 650 style-center "men" doesn't deserve one pair of pants for the whole gang. And this gang is typical.

More power to American womanhood. I'm glad somebody deserves pants. Possibly our women will soon demand that our men again deserve pants.

OUT on the LIMB

with

George Vierhus

Taking a week off is great stuff, But it is darn hard to settle down to the regular routine upon getting back.

The easy way of doing this column this week would be to describe our activities of the week we were off. But we are afraid that would interest no one but ourselves.

We did manage to play golf in three different spots and we showed no favoritism. We were equally lousy in all three.

We also managed to take what is tritely termed a "postman's holiday" and poked our head into several newspapers. We were curious as to whether the problems we have are common to others. We discovered they are.

So we had a pleasant time crying on other publishers' shoulders.

Misery loves company.

—o—

This is the last week of the Press football panel . . . the week of the "big games".

We are pleased that the weekly predictions of our six experts created considerable interest among our readers. We had a lot of fun with the five guys and one gal and we think the six likewise enjoyed themselves.

It is ironical that the three with the best records (as of this week) include a teen-ager, a woman and a 10-year old with the three old fogies, Pete, Bill and Sam bringing up the rear.

Benny Lujan, Campbell High student body president, and Mrs. Elaine Carey of the Sunshine Card and Toys, are tied for the season with 58 winners each out of a total of 88 games. Marvin Moore, our 10-year old sports columnist, rests in undisputed third place with a record of 54 wins.

Sam Reed, high school principal, and Pete Lico, Towne Pride market owner, are tied with 52 winners while Bill Means, of Campbell Drugs has 51 winners.

—o—

We have just checked the experts predictions for this week-and fortunately or unfortunately we find that it will be impossible for Elaine and Benny to end the season with a tie, as each has a different opinion of the outcome of three games. So there has to be a winner!

Elaine picks Oregon over Oregon State (Benny goes for Oregon State); She picks Notre Dame . . Benny says Iowa and Elaine likes Texas Christian while Benny picks Rice. Mrs. Carey was the only one, by the way to pick Notre Dame over Oklahoma last week when she had nine winners out of 10, missing only the Stanford contest.

We will give our experts a respite until bowl-game time and then we will give 'em a chance to redeem themselves on a one-shot deal.

We plan to do the same thing next year. Several suggestions have been made which we think will increase the interest.

If you have any ideas, let's have 'em.

—o—

We are pleased to note that our "crusade" to convert the abandoned gravel pit at the edge of the city limits into a recreational areas is slowly gaining momentum among the so-called "grass-roots" of the community, even if no organization as yet has deigned to recognize its value.

We sincerely believe it is possible to transform that man-made waste-land, unused and an eye-sore for 25 years, into something worthwhile.

So far there has been no organized movement, just more or less a "feeling out" of the sentiment. We are curious why the three local service clubs have not as yet bothered to discuss the idea. To us is seems like a "natural" civic project for the clubs.

Even more "natural" to our way of thinking would it be for the West Valley American Legion Post to take hold of it, as the acreage adjoins the new Legion clubhouse.

We suppose it can be truthfully said that "no one has told them" about it, officially anyway.

That is one of our pet gripes anyway. In our opinion too many people and organizations feel they have to wait for an engraved invitation to take part in such projects rather than taking the initiative themselves.

—o—

Anyway we have been hearing from individuals. Maybe not as many as we would like but enough to know that many residents look with favor on it.

In this issue we are running a letter from the George Lejkas at 813 W. Ricky Drive and we have also heard from Mrs. Edwin Falkowski, 208 W. Latimer. Both families say that their friends and neighbors are "enthused over the idea".

Mrs. Falkowski suggested that an outdoor dancing pavilion could be added so that teenagers in Campbell could have a place to dance on summer evenings. It could be a cement slab, she thought, which could also be used for roller-skating.

We think her idea a good one, for it brings out a point we want to emphasize. The recreational area coul dhave something for everybody and that's what makes it so worthwhile.

And that's why we are so sold on the idea.

Spencer Heads Improvement Club

H. L. Spencer was elected head of the San Tomas Improvement Club at the November 14 meeting in Smith's Rumpus Room on S. San Tomas Road.

Other new officers to serve with him are Howard Greer, vice-president; Mrs. Maxine Pipkins, secretary-treasurer; and Mrs. Juna Greer, corresponding secretary.

After officers were elected and installed, the club held a "money making" party to raise funds for its annual children's Christmas party in December.

Pruning Demonstration Scheduled Near Here

A variety of young and bearing trees will be pruned in a demonstration next Thursday afternoon, November 21 at the Stanley Rudd ranch on Hillyer avenue off Senter Road, under auspices of the Agricultural Extension Services, according to L. C. Bernard, farm adviser.

LETTERS TO THE EDITOR

FAVORS PARK

Editor Campbell Press:

A couple of weeks ago, we read your article in the Campbell Press regarding Mr. Charles Rose's ideas for a recreational park in the southern part of town.

Naturally, since we are new home owners in this vicinity and have children of school age, we are very interested in any prospects of new recreational facilities for this area.

We surely hope that this article will not be the last heard of this park problem.

Sincerely yours.
Mr. and Mrs. G. P. Lejkos
813 W. Ricky Dr.

SENIOR ADULTS

Campbell Press
Campbell, California
Dear Sirs:

Something so fine has come to Campbell I must write and tell you how I appreciated it. I mean the "Senior Adults" which meets the first and third Tuesday of each month.

Miss Anne de Groot is a gracious and lovely first President. So nice to meet with those of our own age group and sing once again "Tipperary", and other old songs we used to sing,

Signed
"One of the Little Old Ladies"
"In the Little Old Bonnett"

New OES Officers Assume Duties

Mr. and Mrs. Robert Kelly conducted their first meeting Friday evening after installation as worthy patron and matron of Campbell Chapter, Order of Eastern Star.

A Thanksgiving theme was carried out in the chapter room and banquet hall.

General chairman for the evening was Mrs. Francis Butts who was assisted by Mesdames James Arnold, Roy Archibald, Harold Adams, Anna Abraham, Dorothea Glass and Don Hartman.

The chapter will hold its next meeting December 6 at 8 p.m. in IOOF Hall and all members are invited to attend.

IT'S THE THOUGHT THAT COUNTS . . .

And one thought that counts up *big* around Christmastime is a thought which thousands of Californians had a *year* ago! That's when they got the idea of starting a Bank of America Christmas Club Savings Account, setting a savings goal, and making regular monthly deposits of $5, $10 or more. Now they've reached their goals, and they're shopping *carefree* for a Christmas *debt-free!*

Start your own Bank of America Christmas Club Savings Account now, and you'll enjoy next Christmas even *more!*

RIDDLE:
What one gift is made-to-order for everybody?

ANSWER: It's money, in the form of a Bank of America Money Order all dressed up in a colorful Christmas gift envelope—the easy yet *distinctive* way to give money for Christmas. Costs only 20¢, too, for any amount up to $300, whereas Postal Money Orders for over $10 cost 30¢ and up. (The envelope is free.)

Remember: money is always a welcome gift. It can be exchanged anywhere for *anything* . . . it's always in perfect taste . . . comes in all sizes . . . and there isn't a complexion it doesn't compliment. For those hard-to-please names on your Christmas list, give a Bank of America Money Order in a happy holiday envelope.

B of A Quiz Corner
DID YOU KNOW THAT you can save automatically with a Bank of America Christmas Club Savings Account. Simply authorize us to transfer a specified amount every month from your Checking Account to your Bank of America Christmas Club Account.

LEGAL NOTICE

NOTICE OF TRUSTEE'S SALE NO. 310882½

On Monday, the 16th day of December, 1957, at 10:00 o'clock A.M. on the front steps of the County Court House in the City of San Jose, County of Santa Clara, State of California, SAN JOSE ABSTRACT & TITLE CO., a corporation, Trustees, will sell without warranty at public auction to the highest bidder for cash, in lawful money of the United States, the following described real property, situate in the City of Campbell, County of Santa Clara, State of California, and described as follows:

All of Lot 117 as shown upon that certain Map entitled, "Tract No. 1259 Shady Acres Unit No. 4", which Map was filed for record in the office of the Recorder of the County of Santa Clara, State of California, on September 20, 1954 in Book 51 of Maps, pages 36 and 37.

Said sale will be made to satisfy the obligations secured by, and pursuant to the power of sale conferred in, that certain Deed of Trust executed by Vernon Nielson and Colleen Nielson, husband and wife as Trustor, to San Jose Abstract & Title Co., a corporation, as Trustee, and Percy Hobden and Frances Hobden, his wife, as joint tenants, as Beneficiary, dated April 20, 1957 and recorded May 2, 1957 in Volume 3789 of Official Records, page 489 Santa Clara County Records.

Notice of breach of said obligations and election to sell real property was recorded in the office of the County Recorder of said County on August 2, 1957, in Volume 3859 of Official Records, page 280. This notice is given in compliance with the written application made to the Trustee by said Beneficiary.

Dated: November 14, 1957
SAN JOSE ABSTRACT & TITLE CO., as Trustee

LOW DOWN ON SPORTS

By Marvin Moore

Upsets of the Week

Rice quarterback, King Hill, booted a placement kick to beat Texas A & M 7-6. It snapped a 14 game winning streak for the Aggies and tied them with Rice for the Southwest Conference lead.

The upset that really did my heart good was Notre Dame's shut-out of mighty Oklahoma 7-0. This was one prediction I was glad to lose. Notre Dame put to end Oklahoma's winning streak of 47 games which was the longest in football.

Incidentally Notre Dame had been the last team to beat Oklahoma when they took them in the first game of the 1953 season. Notre Dame really looked sharp, especially in their defense and I won't be talked out of picking them this week.

Three Straight For Fresno

The Fresno State Bulldogs took the San Jose Spartans 13-6 making its three straight wins over San Jose since 1925-27. Dean Philpott, fullback of Fresno gained 79 yards Saturday night making his career total 2058 yards. Philpott is a senior and it is hinted that several "pro" teams have been watching him.

Cal Loses

The Washington Huskies broke their jinx Saturday to beat Cal in their own stadium. It was the first time since 1944 that Washington beat Cal in Memorial Stadium. It was also their first win over Cal since 1952.

Oregon for Rose-Bowl

Oregon's 16-7 victory over Southern Cal and Stanford's loss to Oregon State (USC 24-Stanford 14) definitely puts Oregon in the Rose Bowl with the Big Ten's Ohio State.

Joe Francis, Oregon State back went all out Saturday to net 274 personal yards of running and passing. He broke his own mark of 203 yards made in the Rose Bowl game. It also breaks Oregon State record of 267 yards made by Dick Gray in 1947 against Nebraska.

Aaron Most Valuable Player

Hank Aaron of the Milwaukee Braves took the National League's most valuable player award by nine points over Stan Musial and eighteen over Red Schoendienst. Aaron was already home-run and runs batted-in king.

Russell Sets Rebound Mark

Bill Russell set a National Basketball Ass'n rebound record of 49 as he led the Boston Celtics to a 111-89 victory over Philadelphia Saturday night. Russell also set a Boston Garden record of 17 rebounds within the fourth period. Russell will be remembered as the former U.S.F. star.

THEY LEARN BY DOING . . . Sixth grade students at San Tomas School staged a program about Old Mexico last Thursday to demonstrate their "learn by doing" program which is stressed in Campbell Elementary District schools. The program, which pointed up National Education Week, included a puppet show with Mexican characters, dances, and a display of household articles. In the picture above, Peggy Nelson and Robert Churchman dance the La Raspa, taught them by their sombrero-wearing teacher, Miss Barbara Kearns of San Jose State College. Campbell Press photo

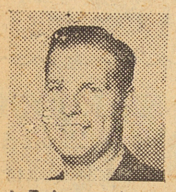
CAMPBELL CLEANERS
'START YOUR WINTER SHOPPING IN YOUR CLOTHES CLOSET" — BY LETTING US CLEAN YOUR WARDROBE!



WHAT'S DOING
J. F. Imsand, your Telephone Manager in Campbell

You know, that voice of yours really gets around by telephone. We can send it under the ground or through the air. And now—if you want to phone Hawaii—your voice will go under the ocean, too! The picture above shows a sample of the new telephone cable to Hawaii. Two ships worked all summer to lay 2400 miles of this cable on the ocean floor. So now, your long distance operator can dial calls direct to the Islands. And it makes no difference what the weather's like. Thanks to the cable, your calls go through fast and clear. Whether you phone Hawaii or the corner grocery, you can bank on good, fast service.

* * * * *

Lots of folks I know are prettying up their homes—and making things easier for themselves—by adding color telephones. When you put new phones in the rooms you use a lot, you'll wonder how you ever got along without them. Because you sure save a lot of time and steps. You can choose from *nine* beautiful colors, too. Why not give us a call here at your telephone business office? We'll be glad to talk it over with you.

* * * * *

WE'RE GOING TO PRESS! Has anyone ever said to you, "I tried to call you the other day, but I couldn't find your name in the telephone directory. Information doesn't even even have it?" This problem faces all of us at times simply because the number is listed under someone else's name. Are you attending school or boarding with other students. Living with your parents, relatives, or friends? Engaged in civic or club affairs which require people to contact you by telephone? If you are, YOU need an additional listing. The cost is small, but the rewards are often large. In an emergency you can be reached much faster and for social or business reasons aditional listings are invaluable. Remember, we are going to press on November 22nd for the yellow pages and 6th for the white pages; so call us now for more information. Dial CYpress 2-9000 and ask your service representative to make the arrangements. PACIFIC TELEPHONE

Campbell Grammar School News

Science Club

by Ken Orr

The Campbell Grammar Science Club put on an entertaining and informative assembly November 7 for the eighth grades. Experiments and demonstrations were performed to explain and illustrate Newton's action-reaction law, the characteristics of a catalyst, the composition of hydrogen, various chemical color changes, and other scientific marvels.

Some of the effects presented were "magical" color changes, rocks that produce fire, hydrogen gas balloon, "electric eye" apparatus, jets that traveled the length of the auditorium, red smoke generator, and a magnesium flare that ended the program with a bang!

This assembly will be repeated for the seventh grades on November 15. The leader of the Science Club is Mr. Peterson, and Ken Orr was Master of Ceremonies for the program.

Members of the Science Club are: Don Chamberlain, Pete Corallo, Bill Garner, Harvey Rentsch, Darrel Astin, Yoshi Sato, Bill Spofford, Wendy Hurt, Phil Salyer, Bill Bicknell, Doug Rideout, Bill Hauswirth, David Scott, Marshall Smith, Corado Zanotto, Peter Mansfield, Don Quinsland, Max Williams, Jim Stoner, Roger Quintana, and Ken Orr.

Music Department Makes Plans

by Tom Tragardh

Beginning each school year the instrumental music department is reorganized by proper placement of new music students into the program. This school term the band has 62 new members increasing the number in the band to 80. The 65 piece orchestra has 50 new members. Each group rehearses twice a week during the activity hour.

Mr. E. Tonini, music director of the band and the orchestra for the past five years, said there will be many activities scheduled for the instrumentalists. On the performance schedule are several school assembly programs for the student body, the first one being on Dec. 13 for the eighth graders.

Both groups present programs for the local Rotary and Kiwanis service clubs.

The first P.T.A. program is the Annual Christmas program on Dec. 18th. This year it is the band's turn for providing the program. This will be the band's first public appearance for the calendar year in full uniform.

Two big events for these music organizations are the Santa Clara County and Northern California State Music festivals in which the groups are judged and rated.

The event Mr. Tonini, the band and orcestra look forward to with greatest anticipation is the Spring Concert which is held annually at Campbell.

Class Pictures

Once again all students and faculty members got "shot". This time, however, it wasn't with a hypodermic needle (vaccinations are **next** week), but by School Pictures, Inc. Every year a packet of pictures are made up for each student including 3½ x 5 enlargements and a large number of billfold size pictures.

A students may purchase the whole packet for $1.50 or just part of the packet for a lower rate. These photos are used for the eighth graders in the yearbook, are put into the permanent files of all the students, and most important of all, give everyone a chance to "swap" pictures with all their friends.

The "Egals"

Egals is an inter-school organization of girls and their Physical Education teachers. There are two girls chosen from the 7th and two from the 8th grades. They are the representatives and alternates. They meet every 3rd Wednesday of the month. The 1st council meeting was in Gilroy. They have playdays, and will have a swimming and two roller skating playdays. Each playday is at a different school. 15 girls are chosen to go. There will be a playday at Campbell in February. The Egals will play volleyball and basketball.

Dramatics

by Carol Cooke

Miss Mackay's Dramatic Class is rehearsing for a play they will present soon for two assemblies. The eighth grade cast is going to present the play "Beany's Private Eye" on November 22nd, and the seventh grade cast will produce it on Dec. 13th.

The students taking leading parts are Linda Rouse, Sally Lavette, Becky Putnam, Shelly Hancock, Keith Ladine, David Aguilar, Pinky MacGregor, Stephen Hannah, Bruce Coutellier and John Hauswirth.

Paul Roberts Visits Egypt

by Tom Tragardh

Paul Roberts, twelve year old seventh grade student in Miss Mackay's room, recently arrived home after a two year stay in Egypt. He attended two different schools there—the Manor House, an English school, and the Cairo-American College. He couldn't explain why they called it a college as he was a sixth grader there. One difference was that taking French was compulsory.

He was impressed by the Military Camel Corps, a branch of the Egyptian Army. It rides on the finest camels in Egypt.

Sandra Visits India

by Susan Peterson

Sandra Strobell from Mrs. Cauhape's seventh grade room has lived in India. She left at the end of the fifth grade and remained until February of 1956, which was almost a year. She traveled by plane both ways. Her father was transferred to India by his company. He is a heavy duty mechanic.

They lived on the outskirts of Hyderabad and rode a bus to school. Sandra says, "The bus was an old public one that could hardly make it up the hill to reach our house and coasted on the way down."

The school Sandra attended was an Indian school with an Indian teacher. On one side of the school were the boys and on the other side were the girls. The standards of the Indian schools are very high. There were about 350 girls in the school.

Spanish Club

by Susan Peterson

A Pinata Party at Christmas time is being planned by Mrs. Lamy's Spanish Club. A Pinata Party is one kind of Spanish party held at Christmas time in Mexico.

This is how a Pinata Party is mache with crepe paper over it. held: a figure of a bird, person or a flower is made of paper. It is filled with candies, different cakes, and cookies (which the children of her class are going to bring). Then a person is blindfolded and turned around three times and swings with a small stick trying to hit it. He gets three swings. When someone finally hits it, everyone goes after all the goodies inside.

The 8th Grade Dance

"Honeycomb" was the theme of the 8th grade dance held Friday, November 8th. About 200 students attended and had a wonderful time. Candy was donated to the dance by Mr. Theodore Bohn, and was greatly appreciated by the students.
